

*You can
make it
happen*

'74 CUB

Hello,
I can remember
when you were just
a dream to Gus. But
now it's real. I hope a true
sweet girl and I hope a true
friend.

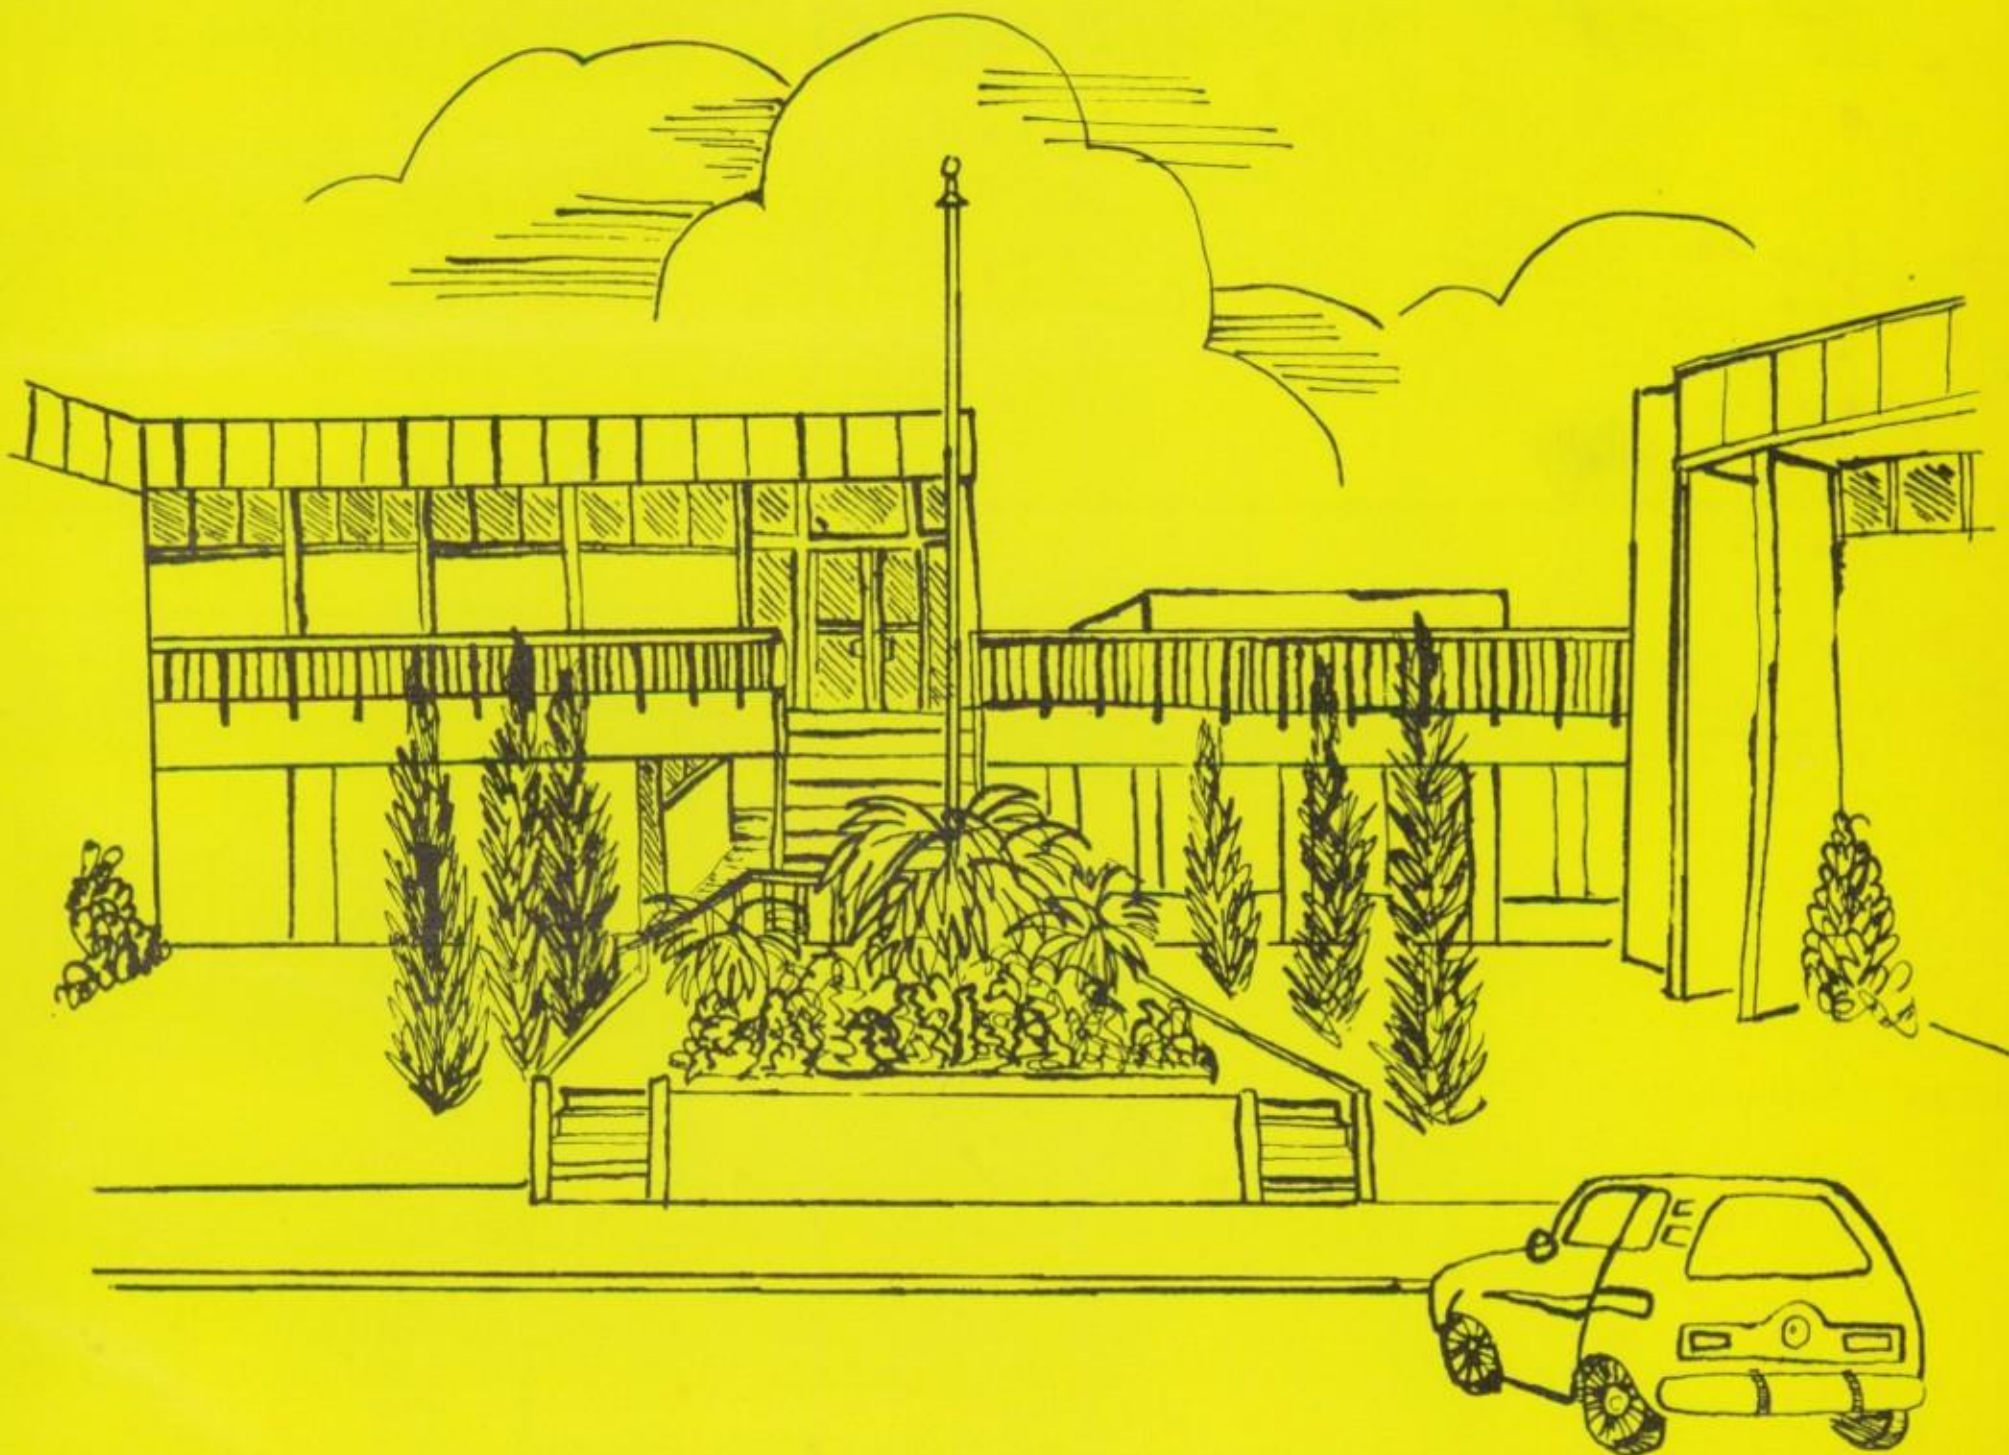

Love ya,

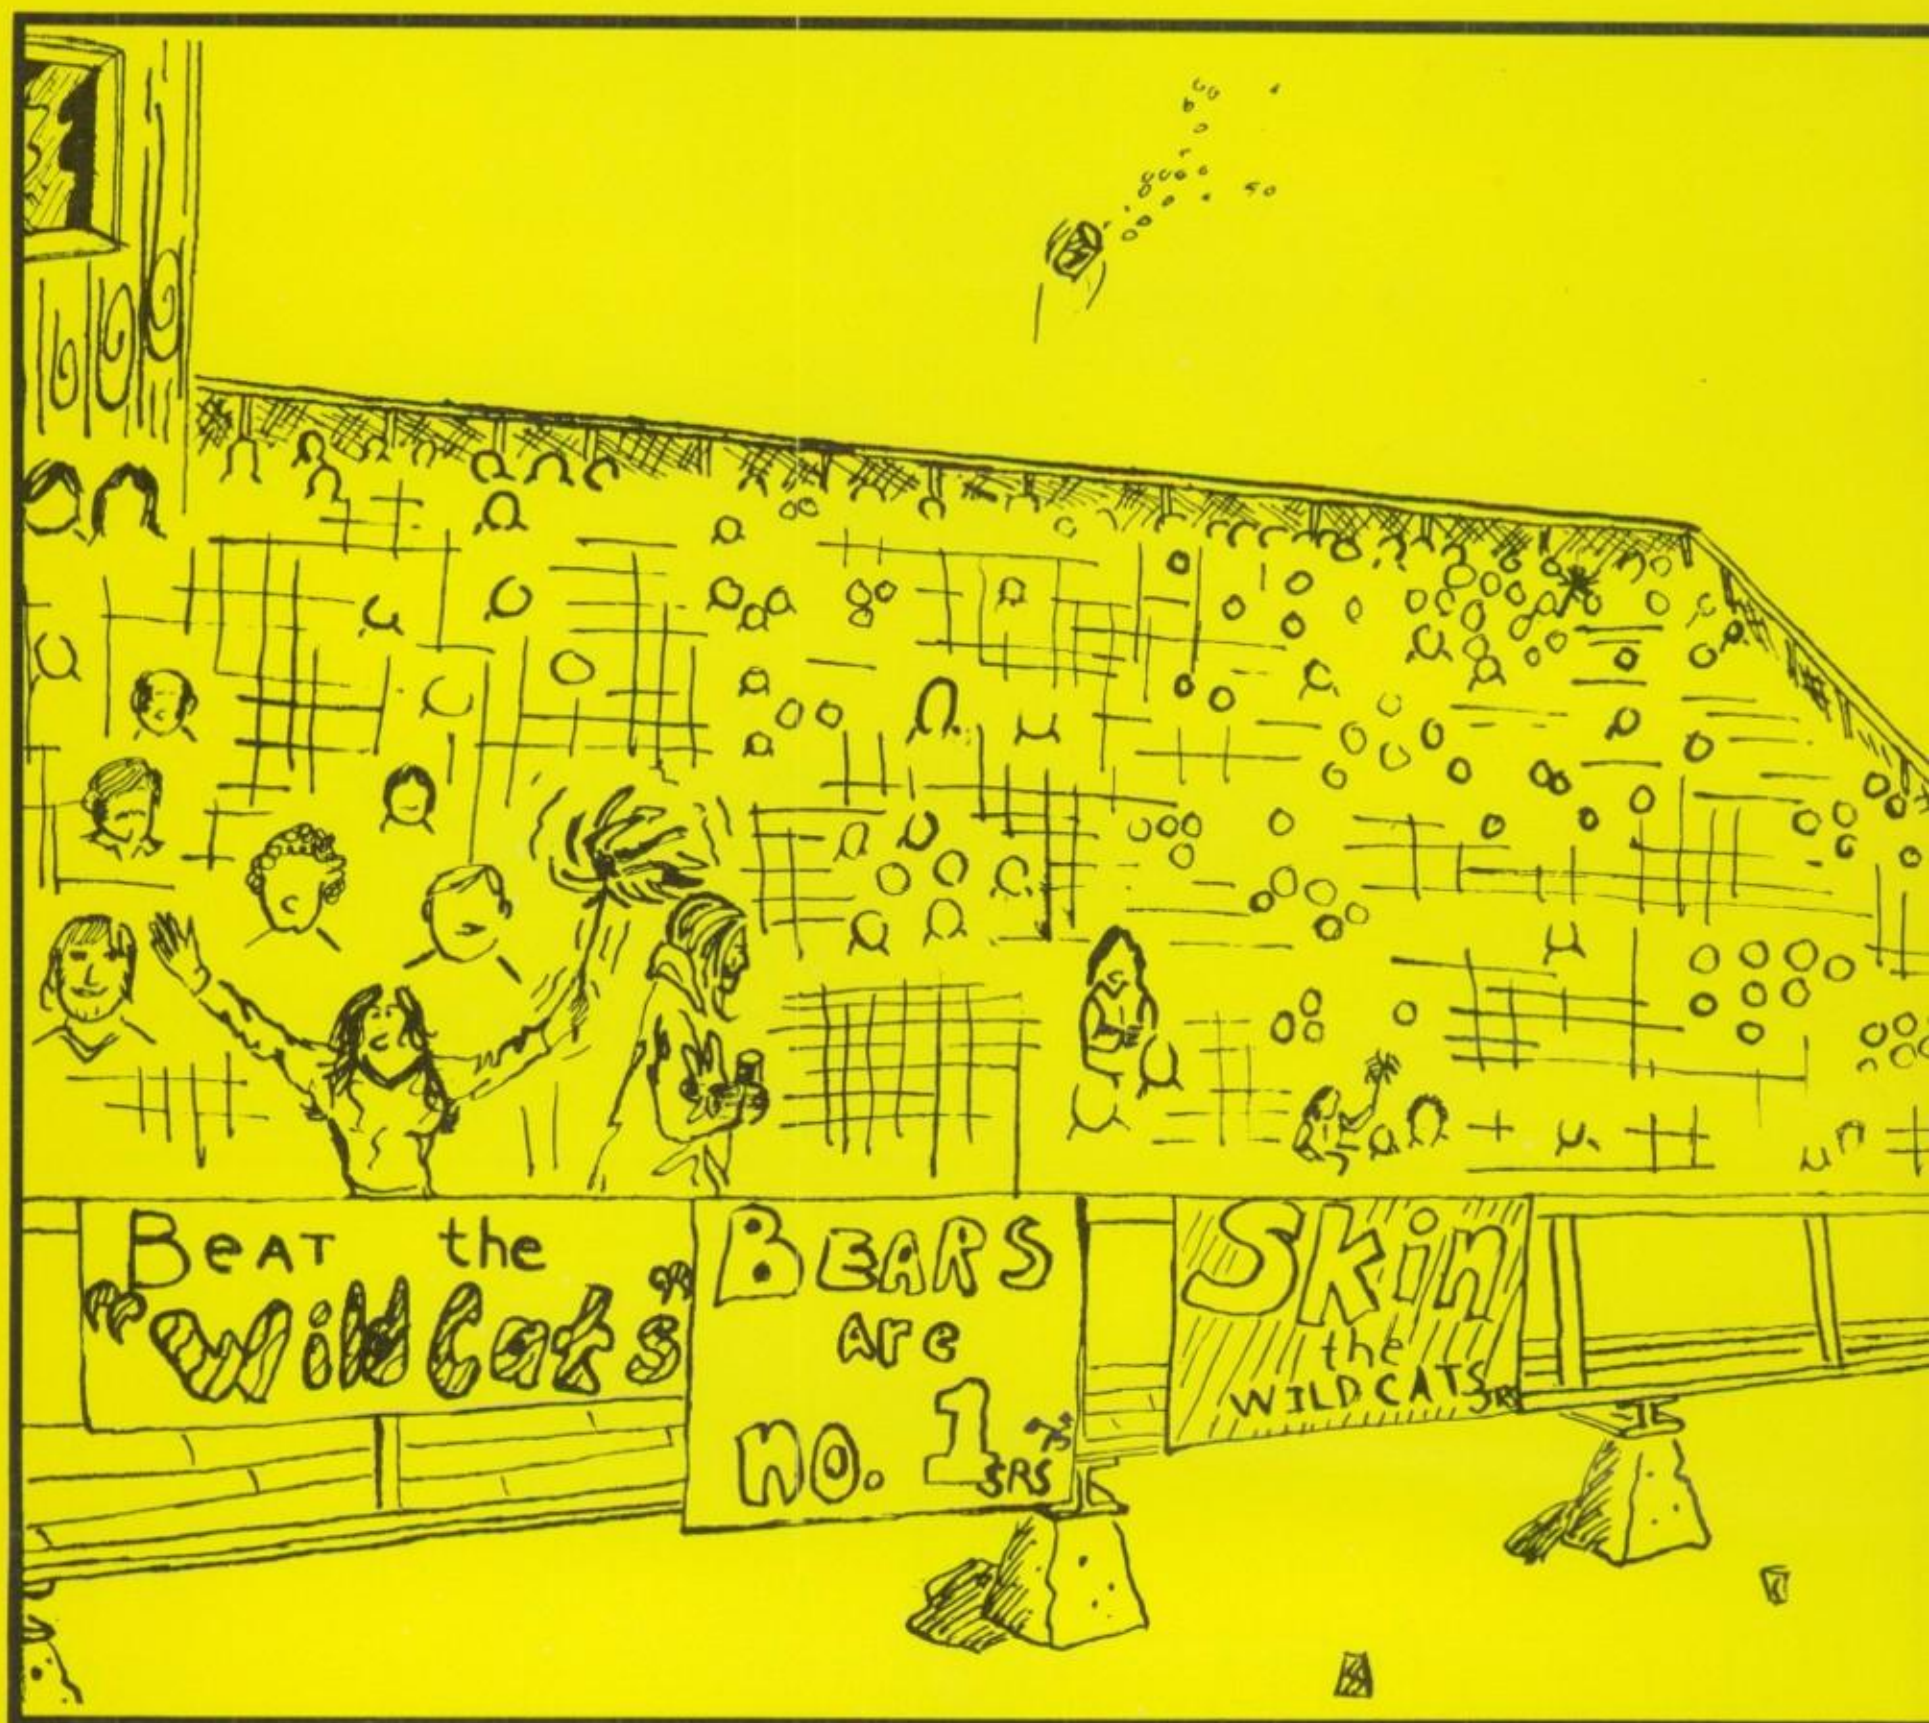

(MILAM)

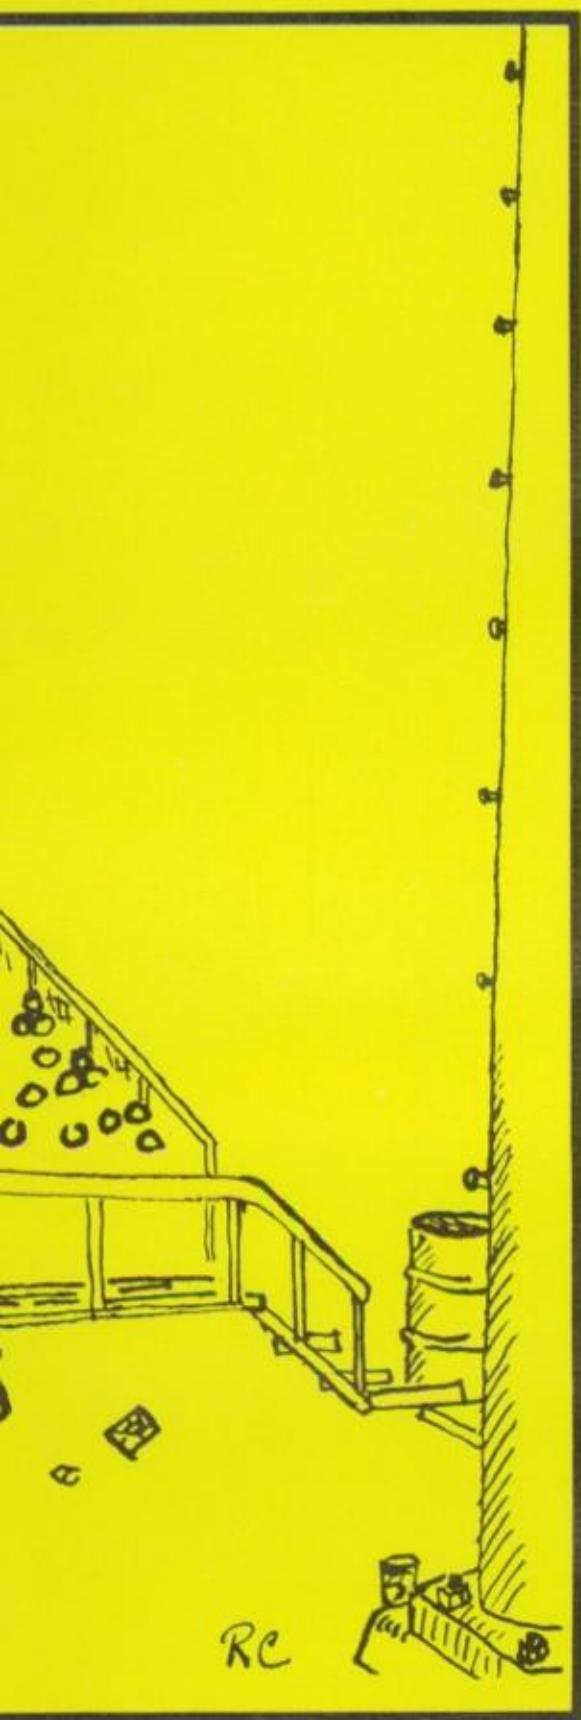

Keshi Sr. 75

Cub 1974

Carencro High School

WE CAN
MAKE IT
HAPPEN

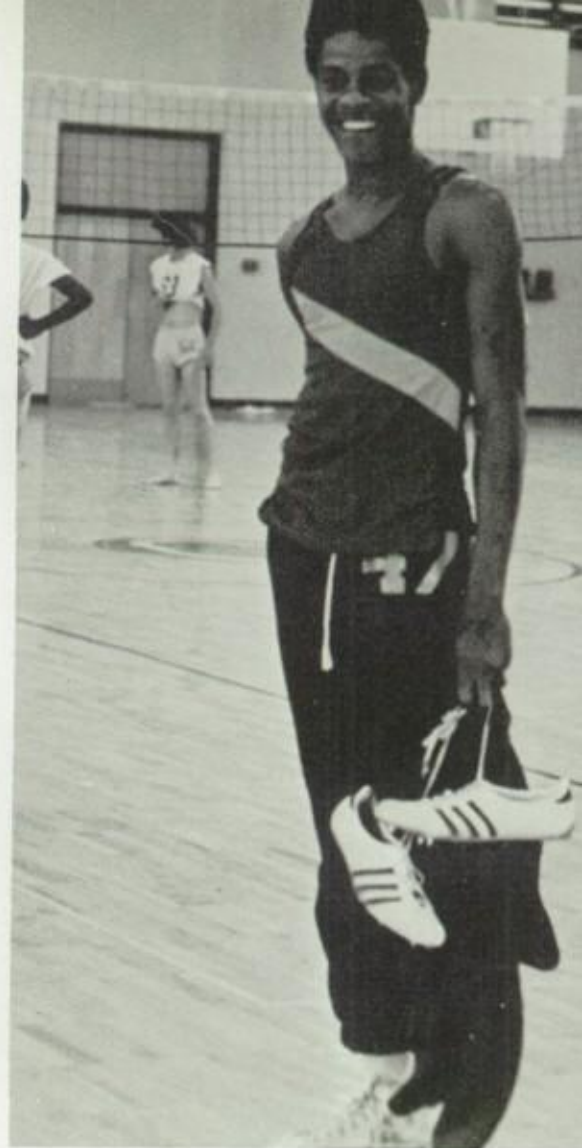

United We Stand — Divided We Fall

During this past year, our students and faculty really gave us the "drive" needed to uphold the reputation of a great school such as ours. The confidence of our student council and the student body helped us to be successful in many endeavors, and the individuality of our student body aided us in many ways.

Me and You and Him and Her and Them Are We!

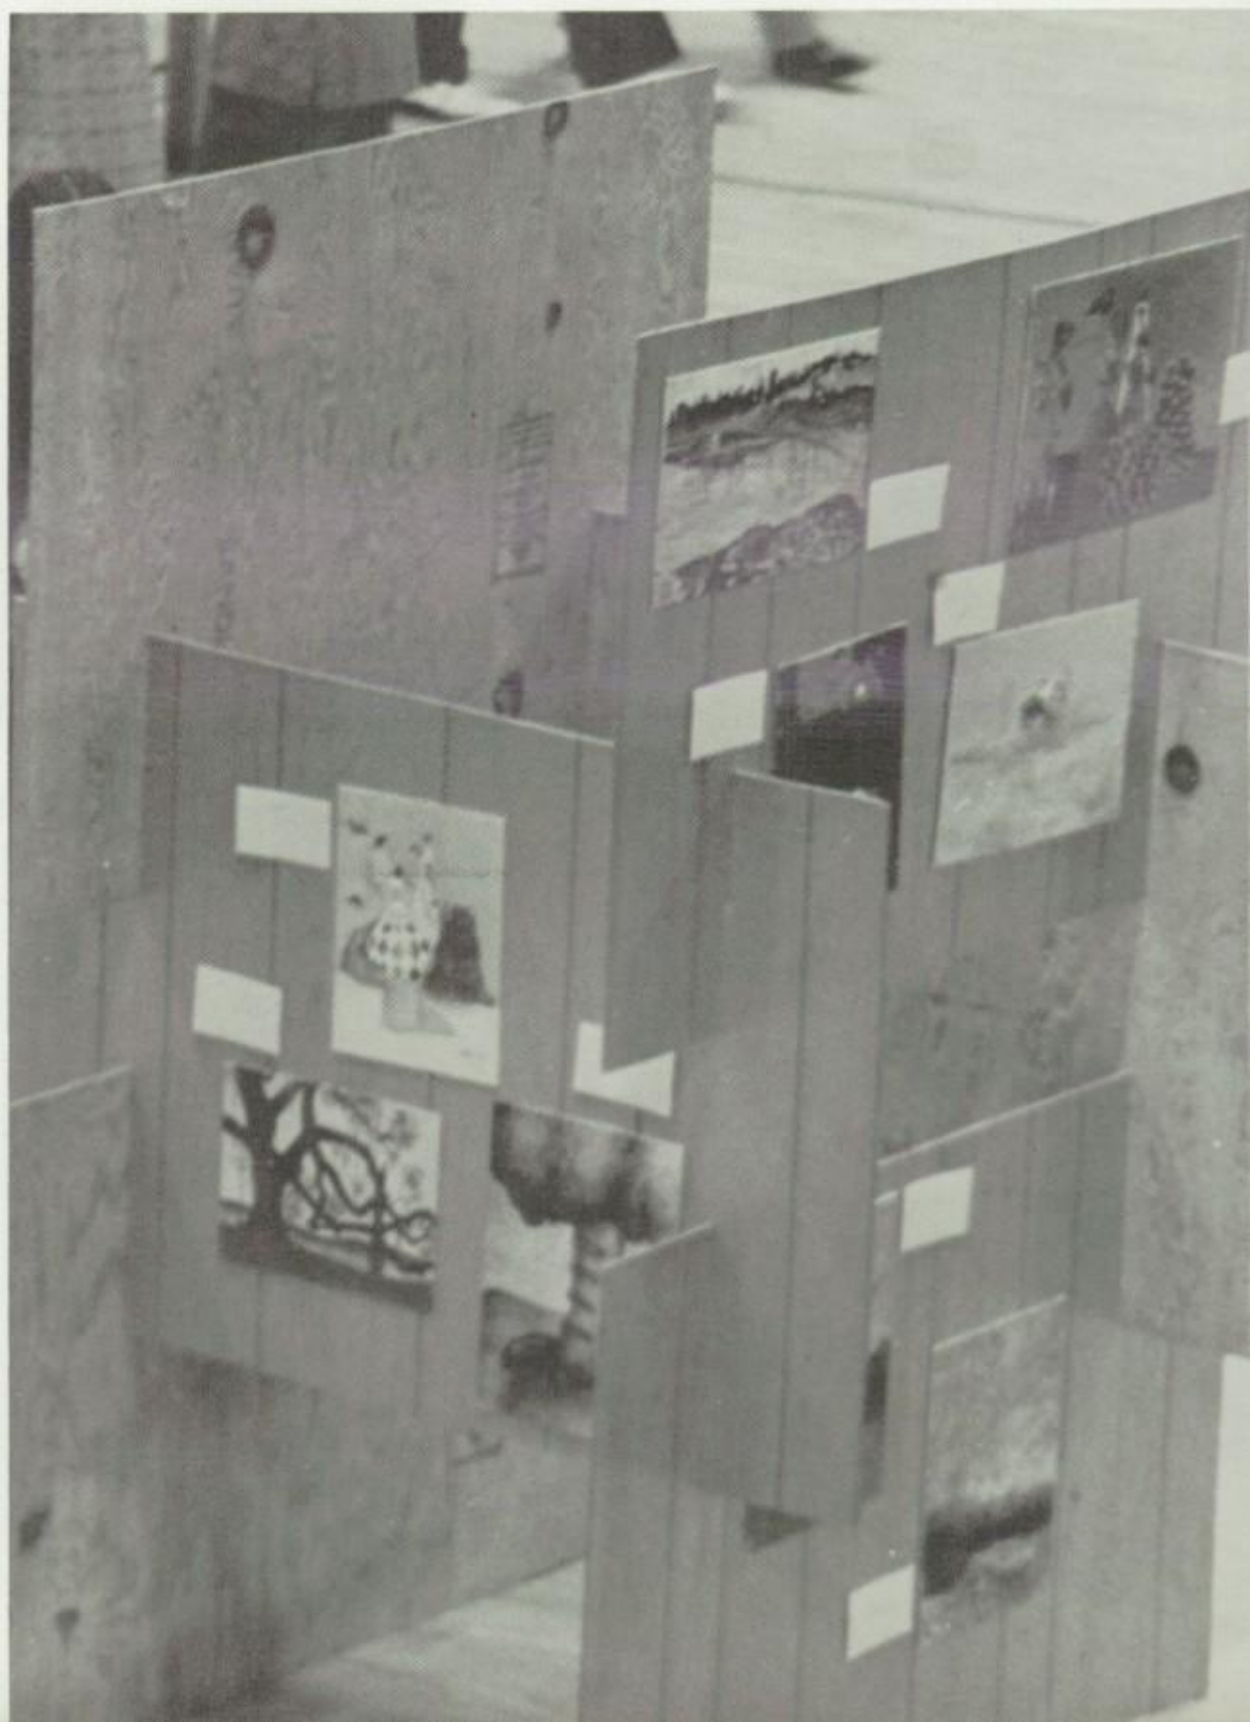

As students of Carencro High we are expected to show an affection and respect for our own school. The drive to be a team - not only in sports but as a school - gave us the key to school spirit. This key unlocked the doors to our successful track, baseball, basketball, volleyball, and football seasons. Though the key may have made an unexpected opening for our newcomers (our Frosh may had not expected such treatment) it holds forth the challenge to continue the teamwork that makes C. H. S. a team.

We . . . We Can . . .
We Can Make . . . WE
Can Make It!

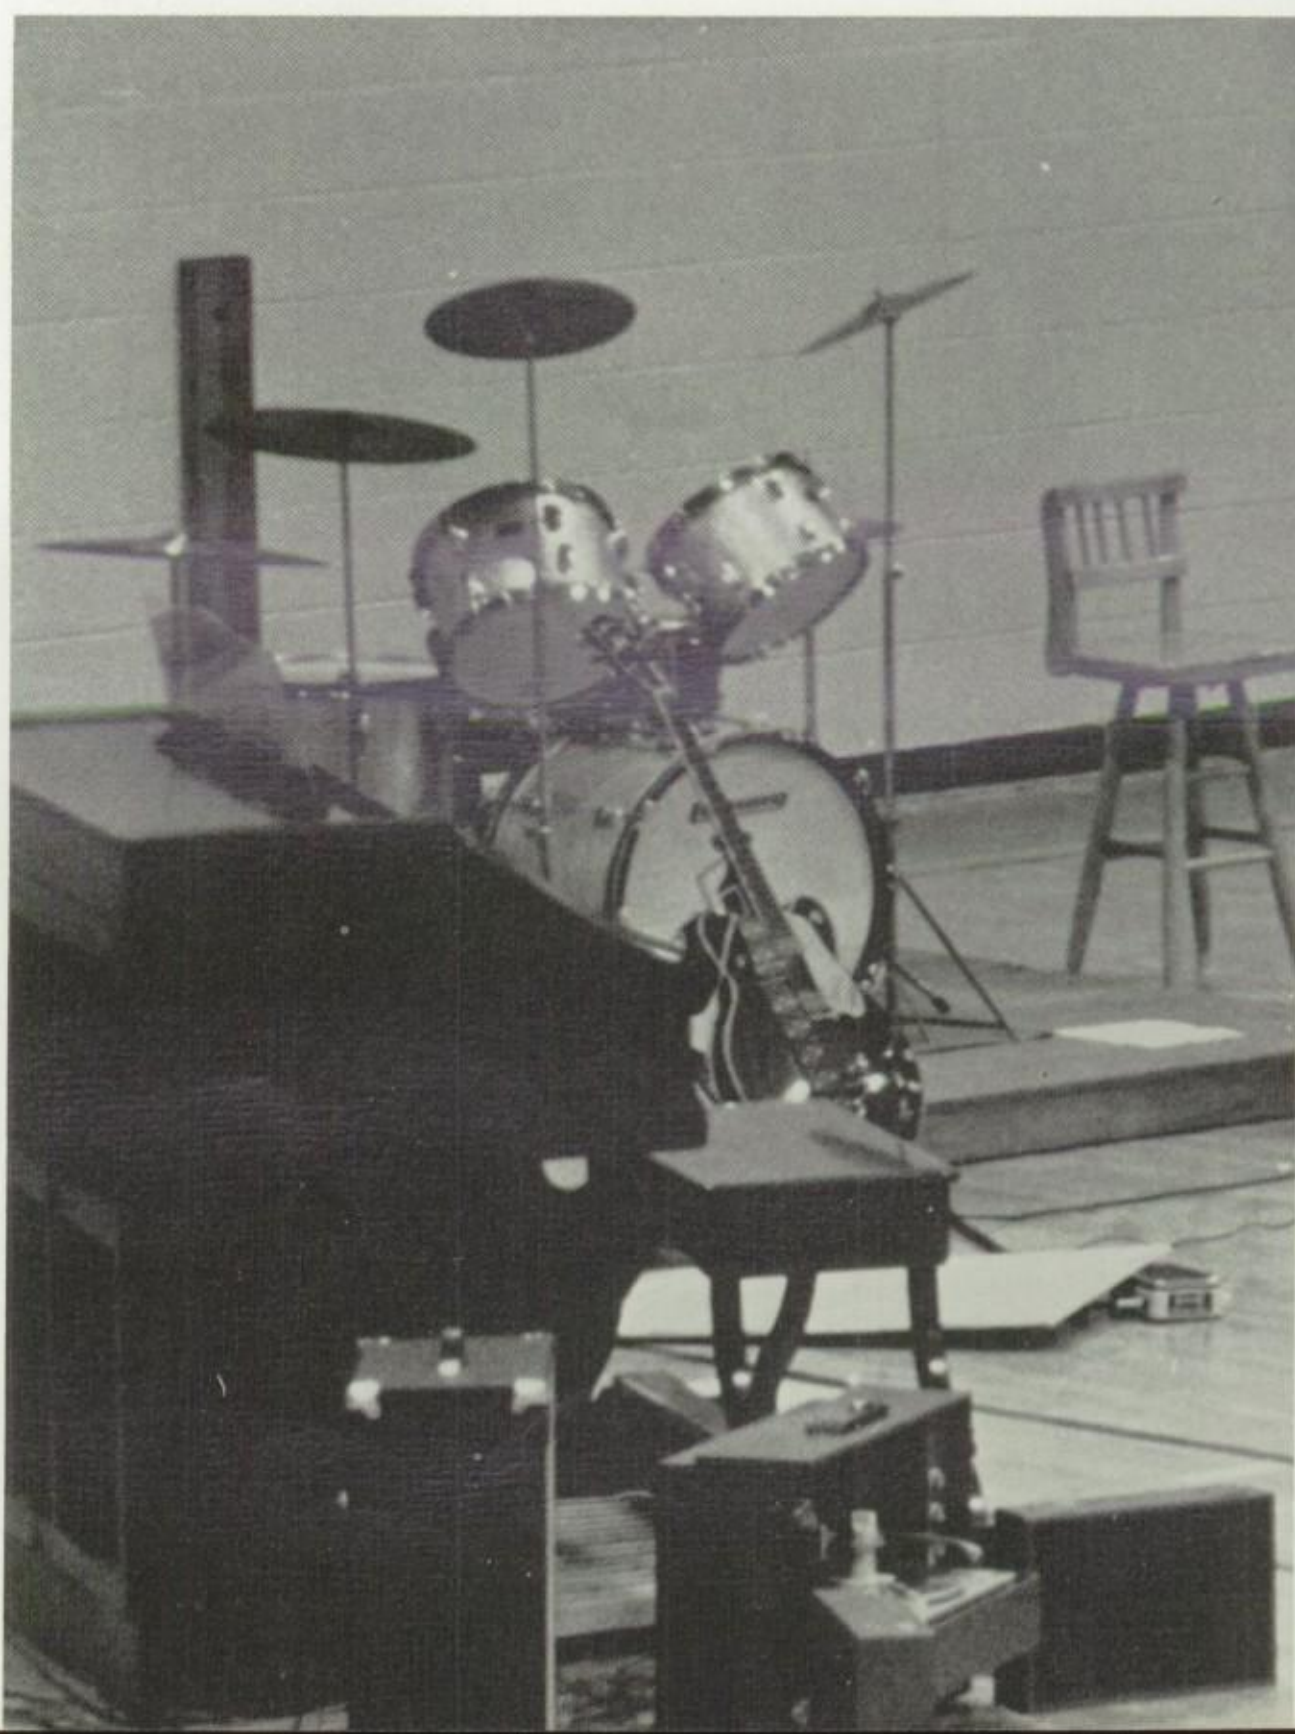

At the beginning of the year, we thought that togetherness would play a large role in how well everything would turn out during the 1973-74 session. With many "spirit-promoting" organizations such as cheerleaders, pep-squad, band, and various people donating their time and effort to us, we realized that "we could make it happen."

Why Make It Happen?

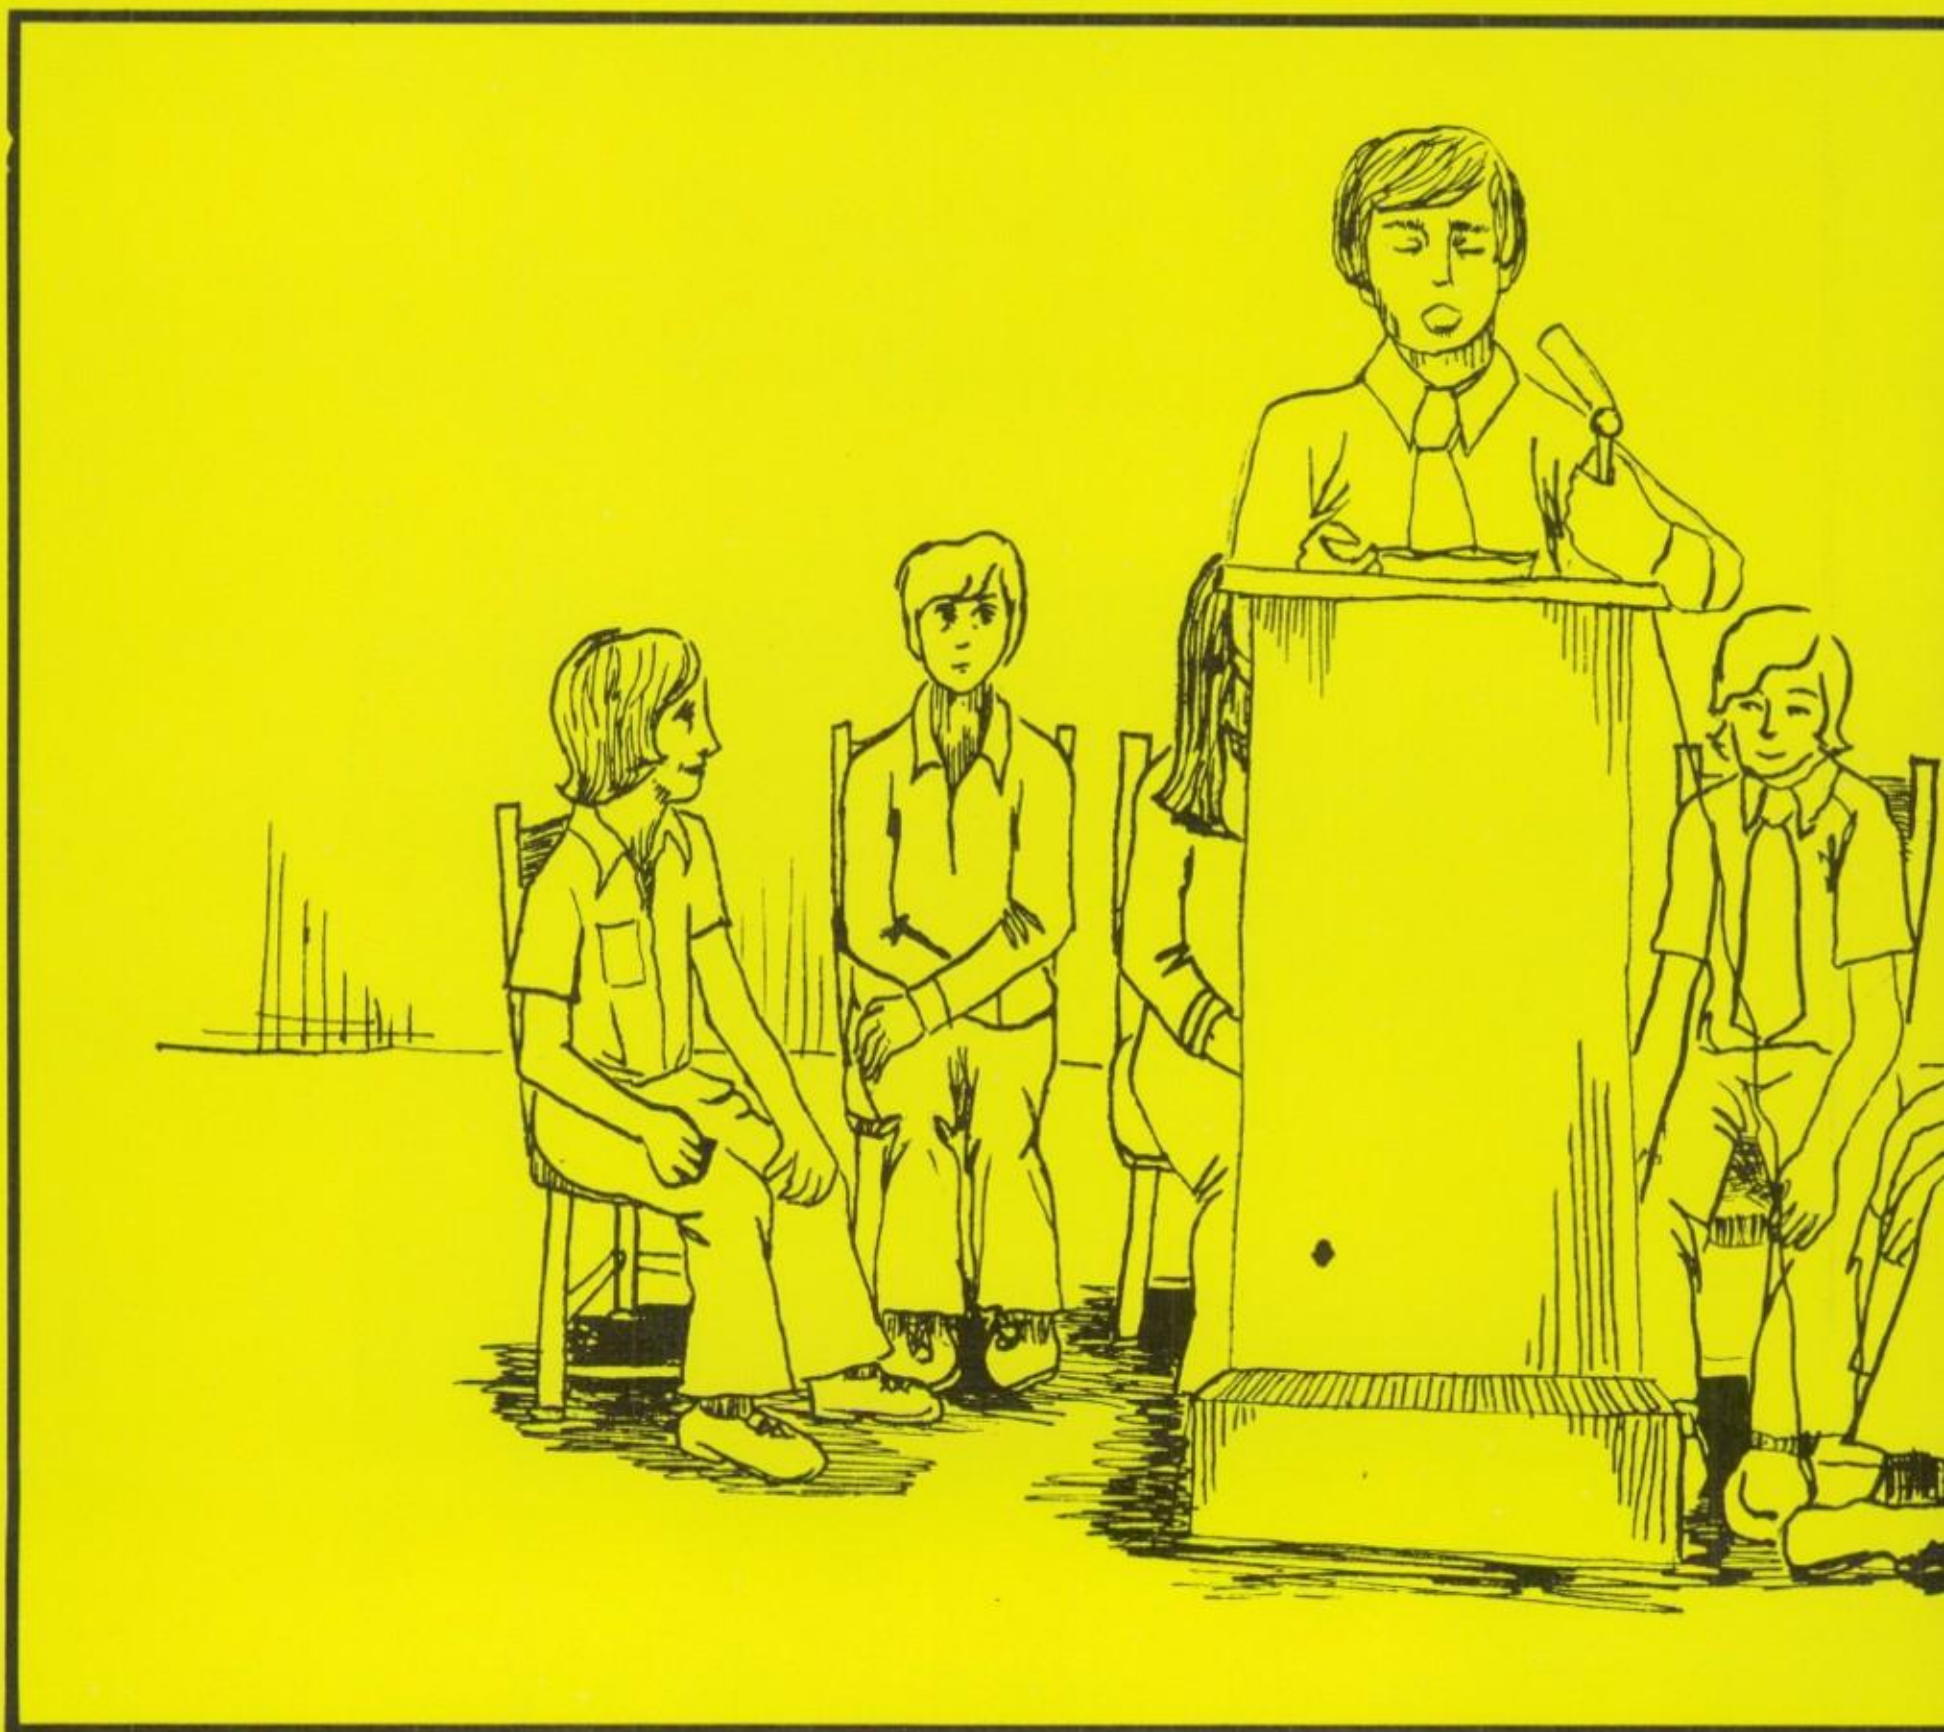

We want to make things happen because we want our school to be something for the past, present, and future students to be proud of. We also want our four years in high school to be pleasant and enjoyable ones, and this is why we'd like to have many worthwhile projects to "make it happen."

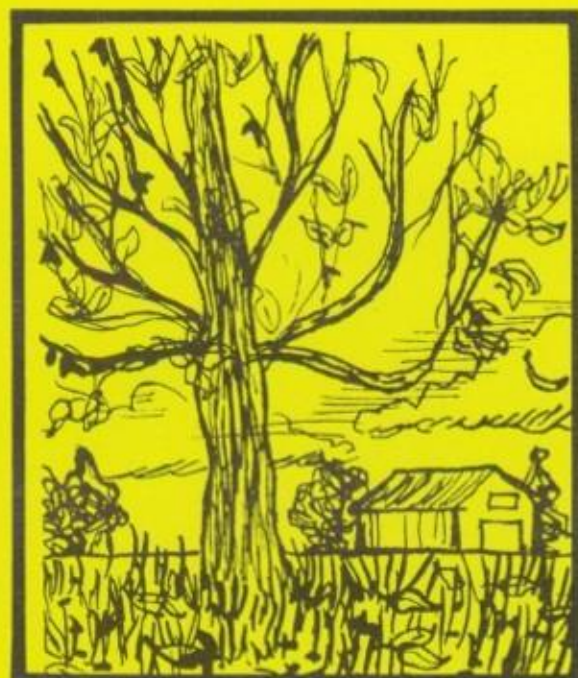

Happy Happenings

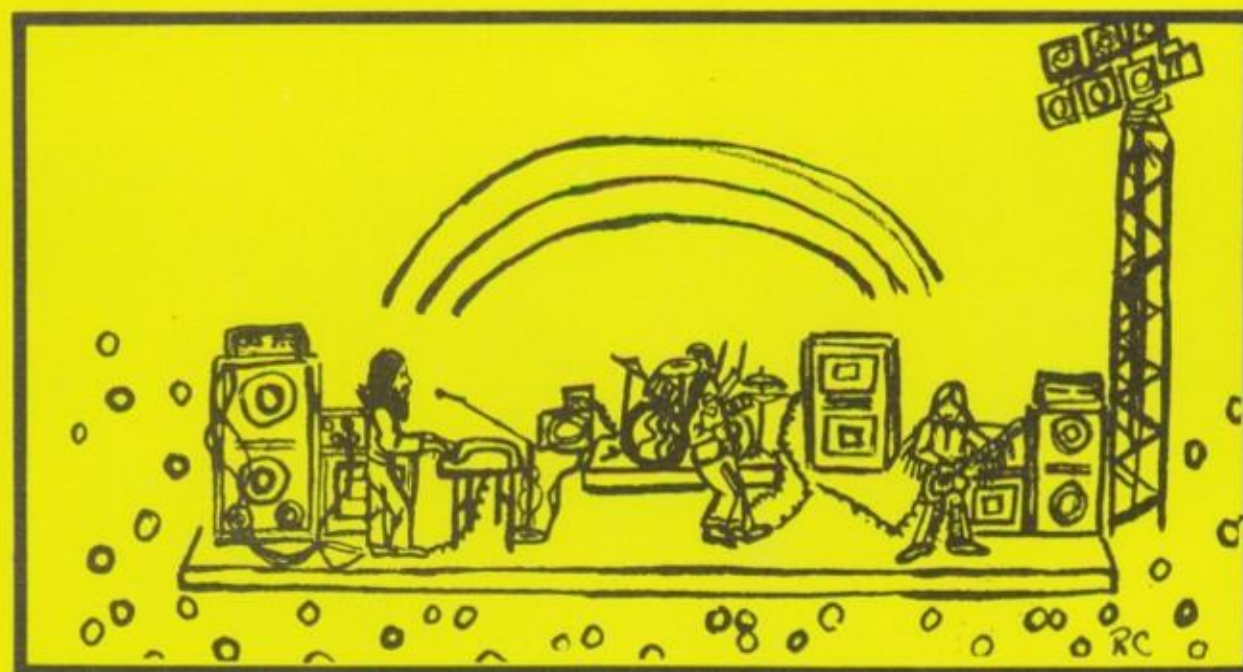

Throughout the long, hard year, Carencro High has been successful in many areas. Our athletes kept up the reputation of "winning," the young ladies kept up the reputation of being "pretty," and the seniors kept up the reputation of being "Seniors"!?! The satisfaction of knowing that this year was a "great" year was felt among the student body, and the reassurance that next year will be just as good or better creates a sense of "anxiousness" among them.

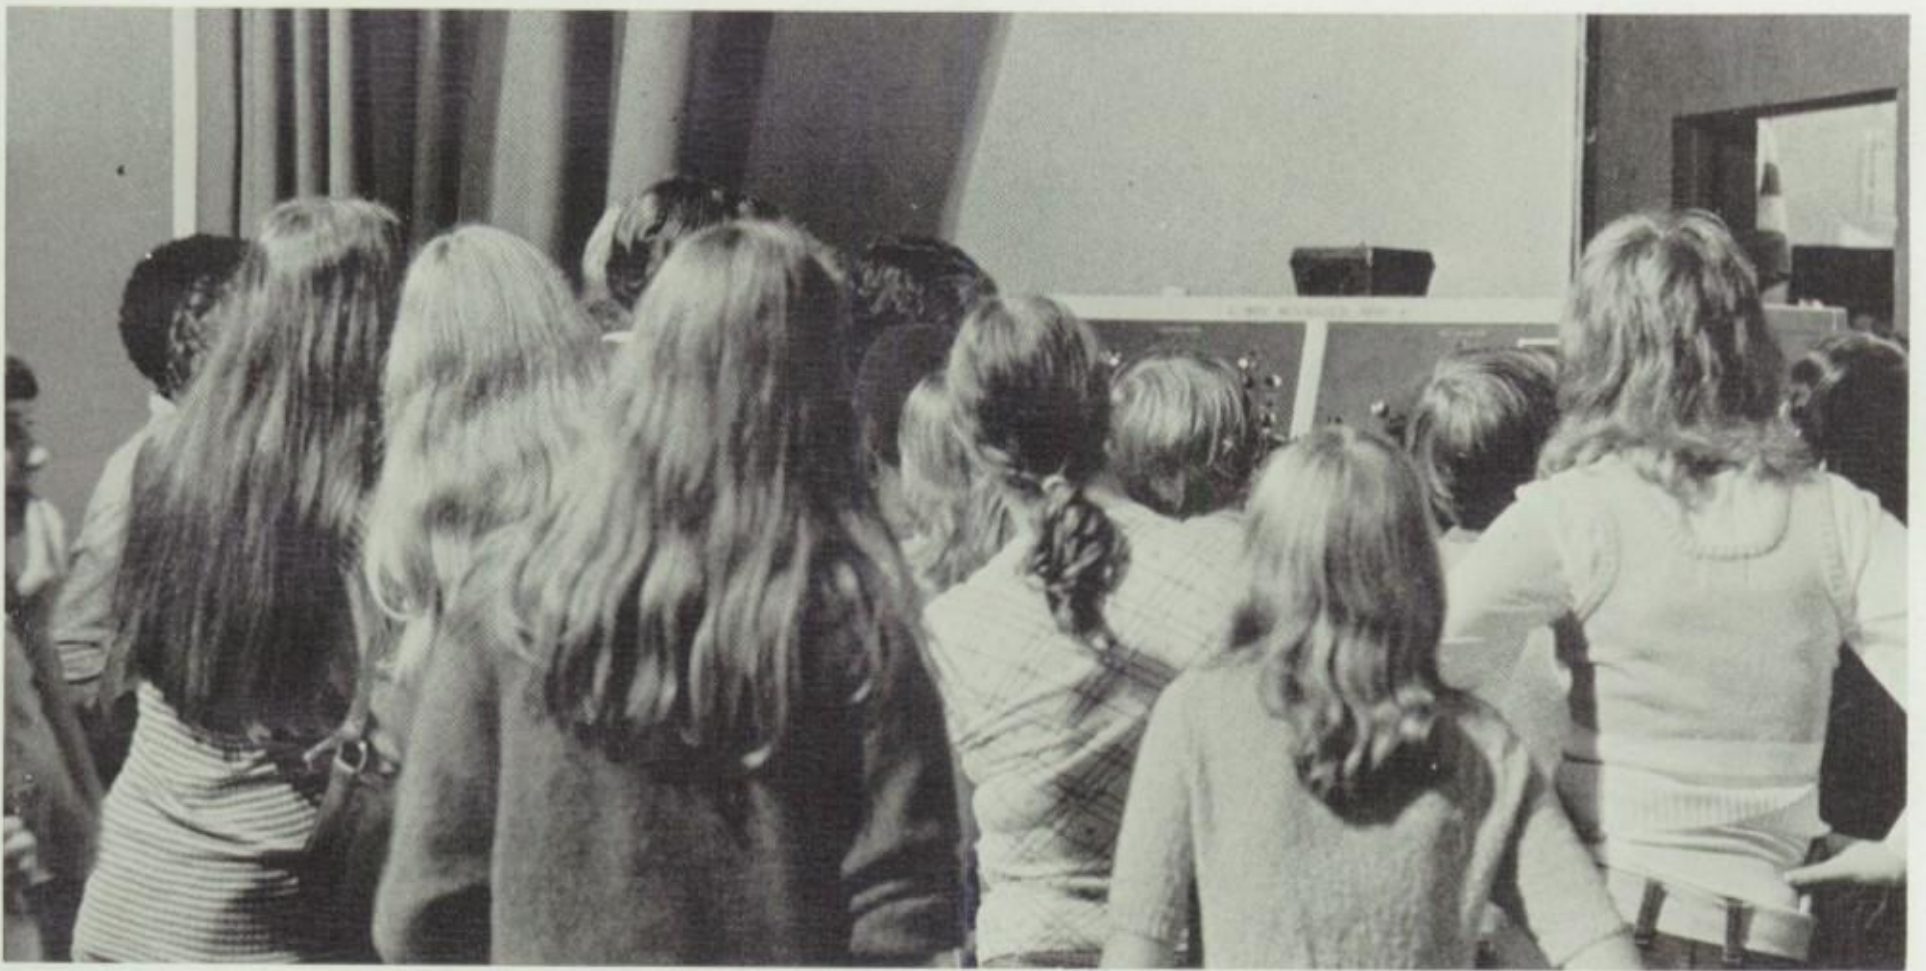

HAPPENINGS IN AUTUMN

Fun, Fatigue, Anxiety, Despair . . . Exams!

School to some people is just learning. But at CHS, students take pride in the fact that they learn and have their share of fun. Field trips add to the students' knowledge as well as their enjoyment in learning. Even though there were times of enjoyment, there came the time to put all students' test of knowledge to work. Semester exams came to CHS as quite a shock - but the students came through - shining.

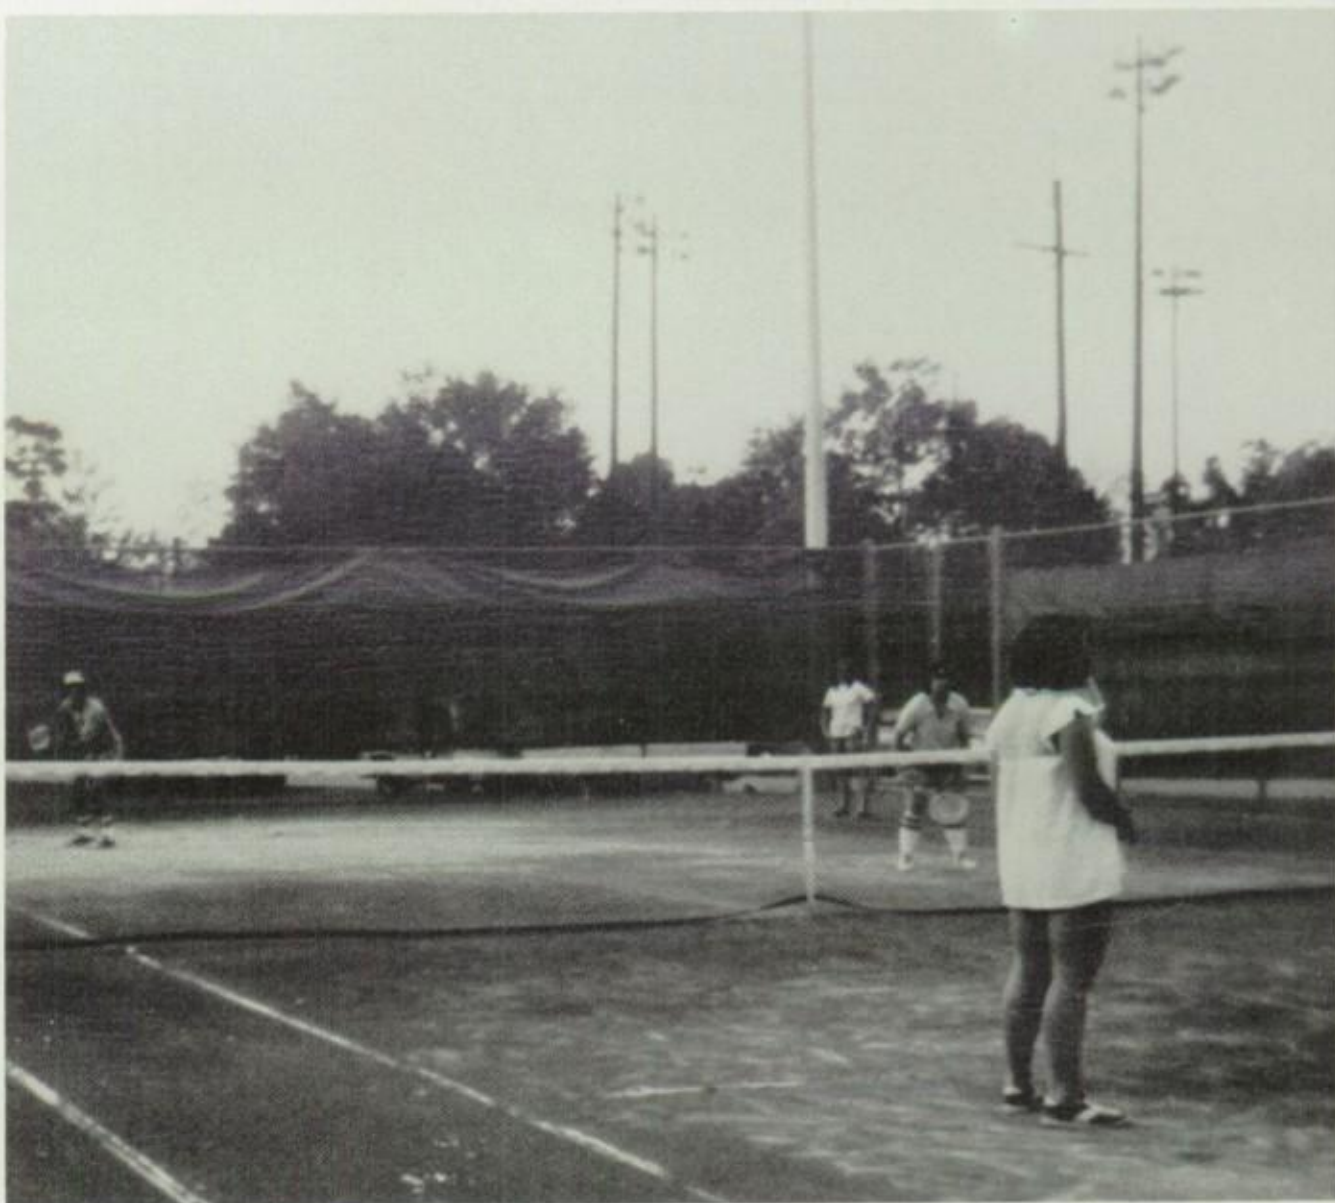

Chicks and Dudes Engage in Tennis and Warfare

Though the serious aspects of learning and studying in school are the major goals of school, time is taken out to enjoy the recreational aspects of school.

Though they may pertain to school, things are learned even while having fun. These things include putt-putt golf, coed tennis and a day at the park. Futhermore, a new organization has been formed at CHS which is called the SLA, better known as the "Sleazy Liberation Army." It was developed through a joint effort by our former group, the CHS "Party Team." The SLA is shown here capturing the Acadiana High Wrecking Ram in front of their school.

BELOW RIGHT: Dinah Savoie, Becky Begnaud, Keith
Benoit.

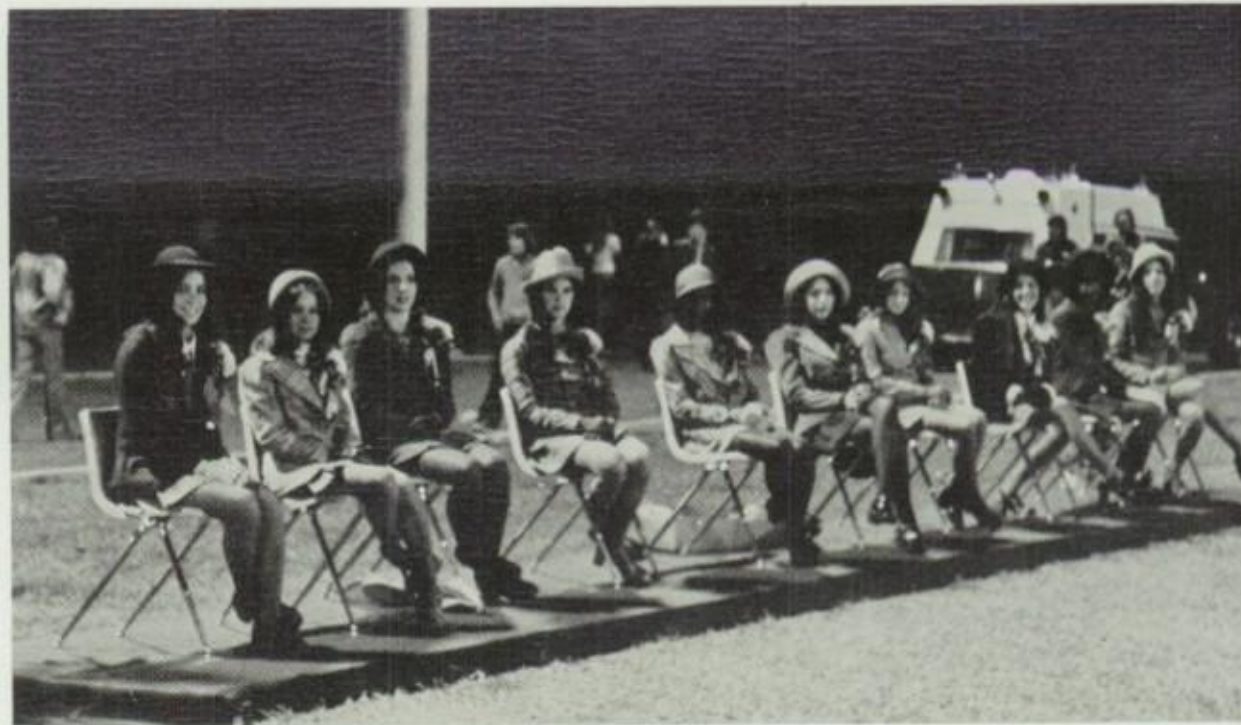

Long Live Rock and Roll

The Student Council treated us to an outdoor concert by Blackbone of Houston, Texas - and it was quite a treat! Blackbone played any type of music that the audience might have been interested in, including a special section dedicated to the history of rock 'n roll. From the reaction of the students, it's evident that there will be more good bands coming to CHS.

Dimensions in Writing

During the Creative Writing Workshop the use of films and by writing down our own feelings, helped us to understand and interpret our emotions. Also, we learned to compare stories, poems and pictures to reality. In all, the creative workshop gave us all the ability to understand our own emotions as well as those of others, and because of it we understand mankind just a little bit better.

The Race Is On

The competition for Student Council and class offices was tough; but the results were good. Gary Landry became our new Student Council President, as Pat Baham became Senior Class President. Class Presidents for our Junior and Sophomore classes are Delphine Conques and Cheryl Lavergne. The 1974-75 Student Council and class officers are pictured below.

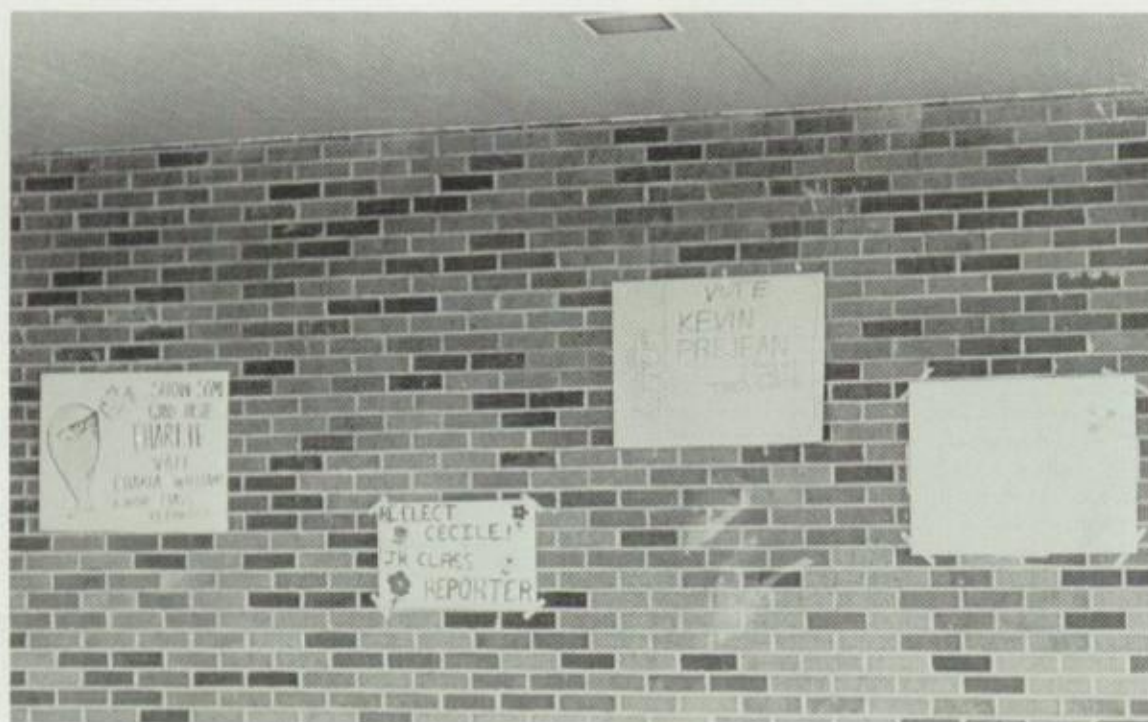

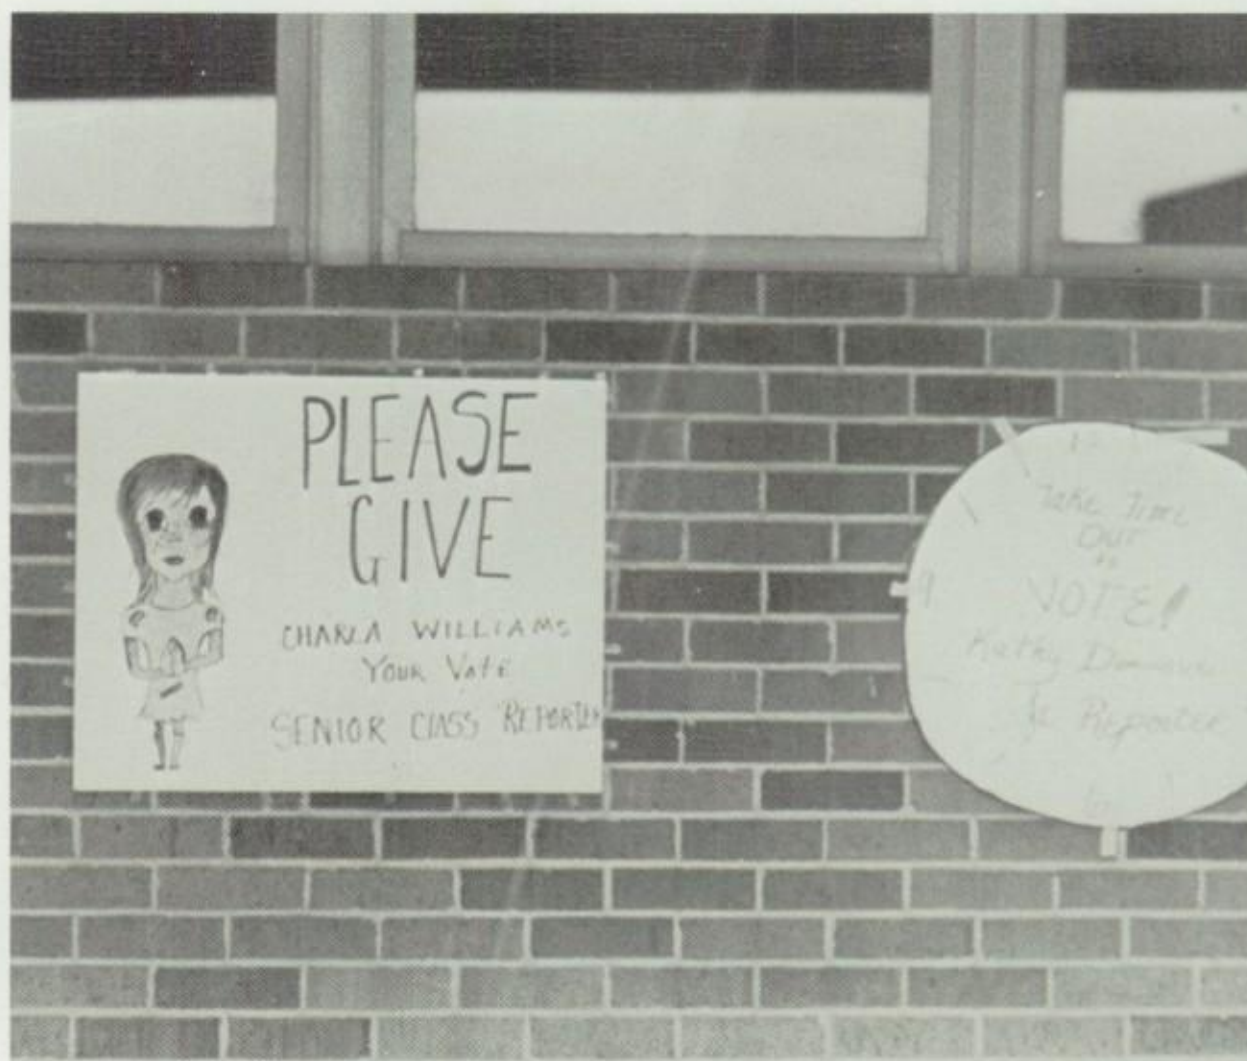

FAR UPPER LEFT: Ronald Broussard - Treasurer; UPPER LEFT: Grace Lajaunie - Secretary; FAR LOWER LEFT: Gary Landry - President and other candidates; LOWER LEFT: Dolly Lambert and Carline Pellerin at the polls; BELOW: Steve Guidry - Vice-President.

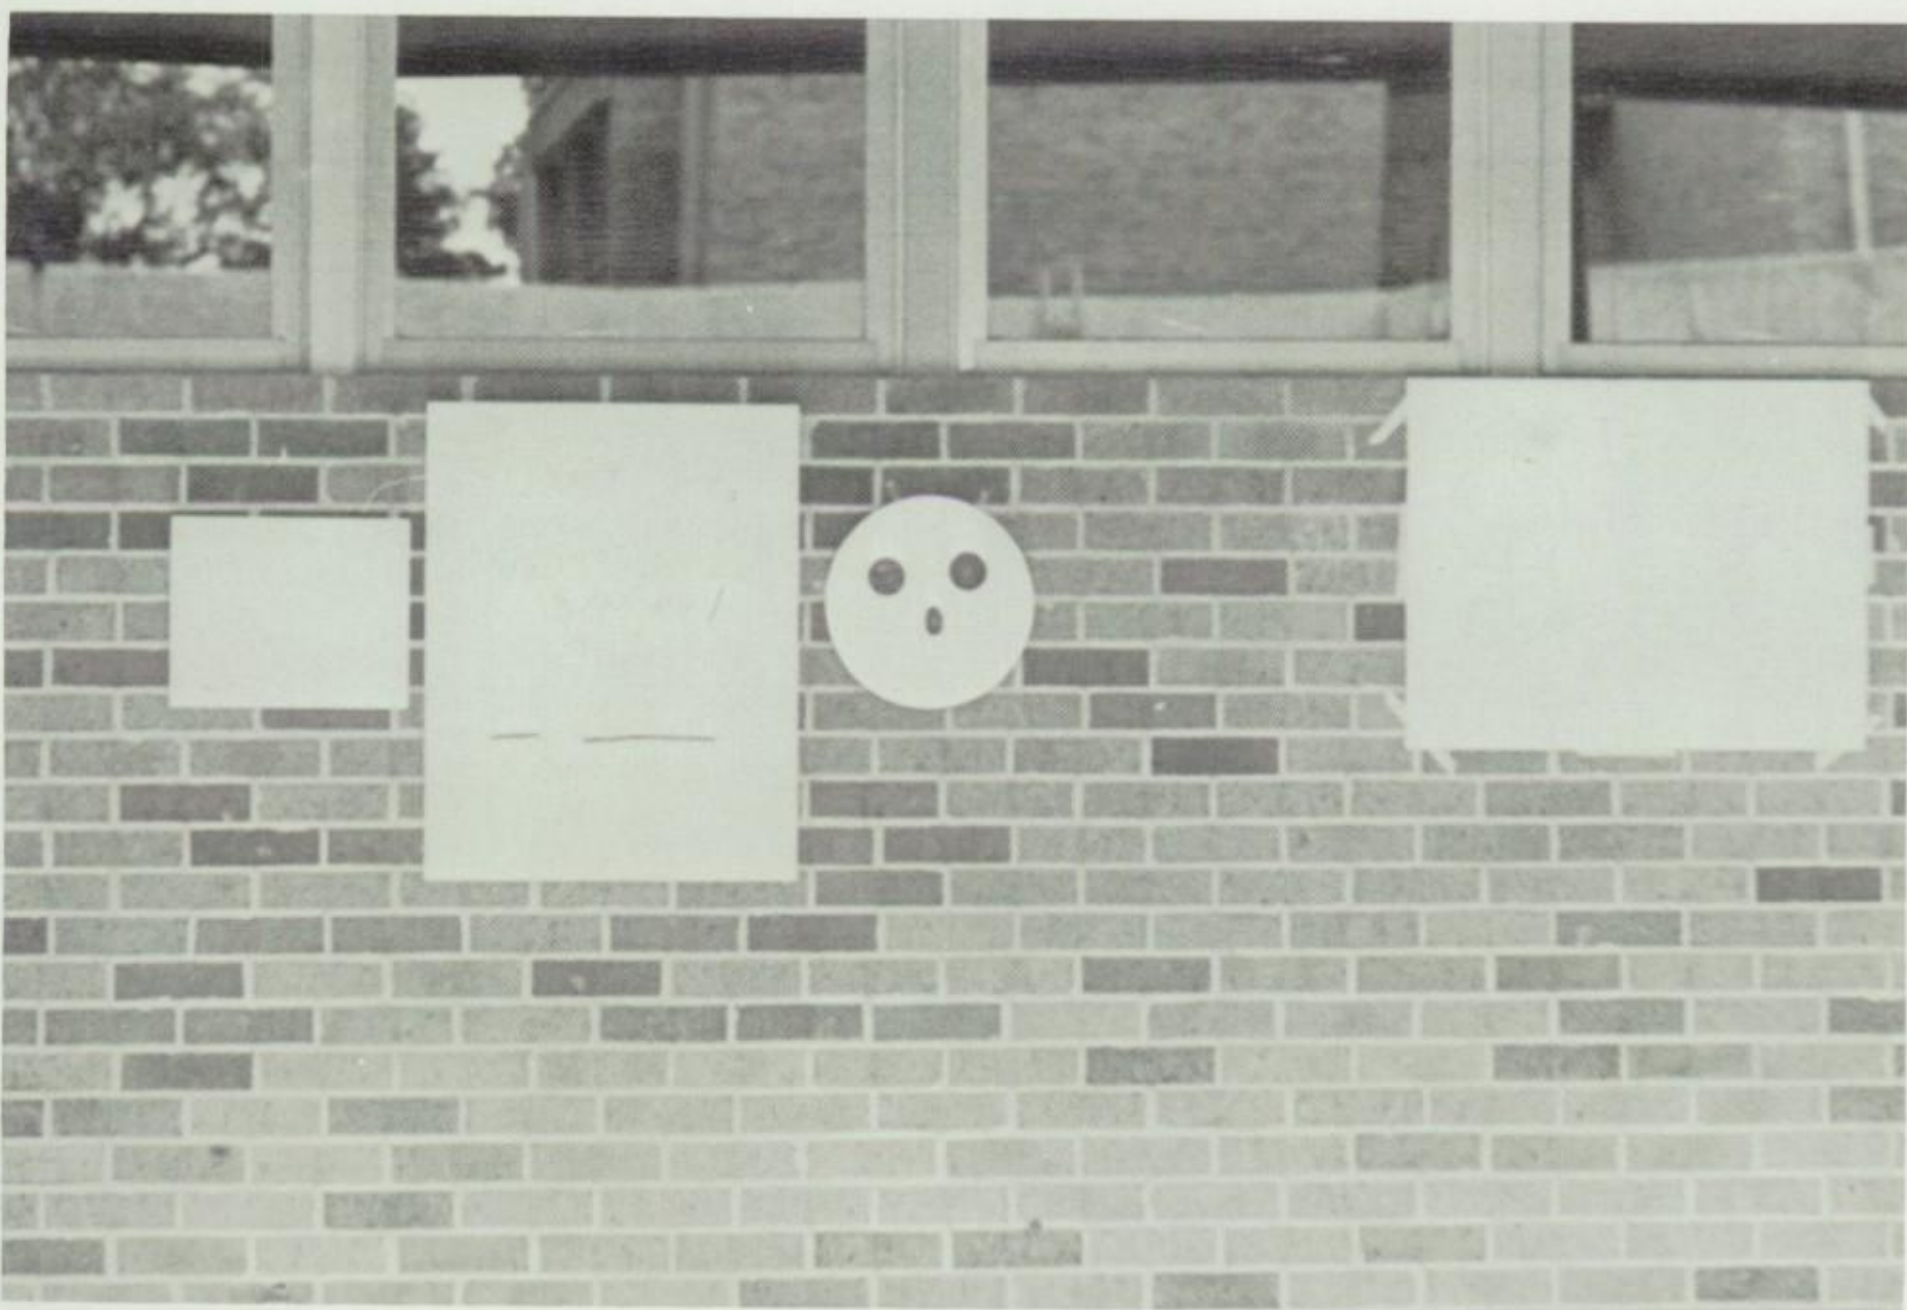

The Crowd Pleasers

Elections for Student Council Representatives, Class offices, and Student Council offices introduced students to basic "politics" along with showing students how to vote for the right person.

“We’re Only Dancing on This Earth for a Short While”

Like the seasons of the sun, our graduating seniors of 1974 had their joy and their fun. Skinned knees and the ABC's of their childhood years have not been forgotten. Though the seniors of 1974 have gone their separate ways, the path which we will follow is well lighted by their school spirit.

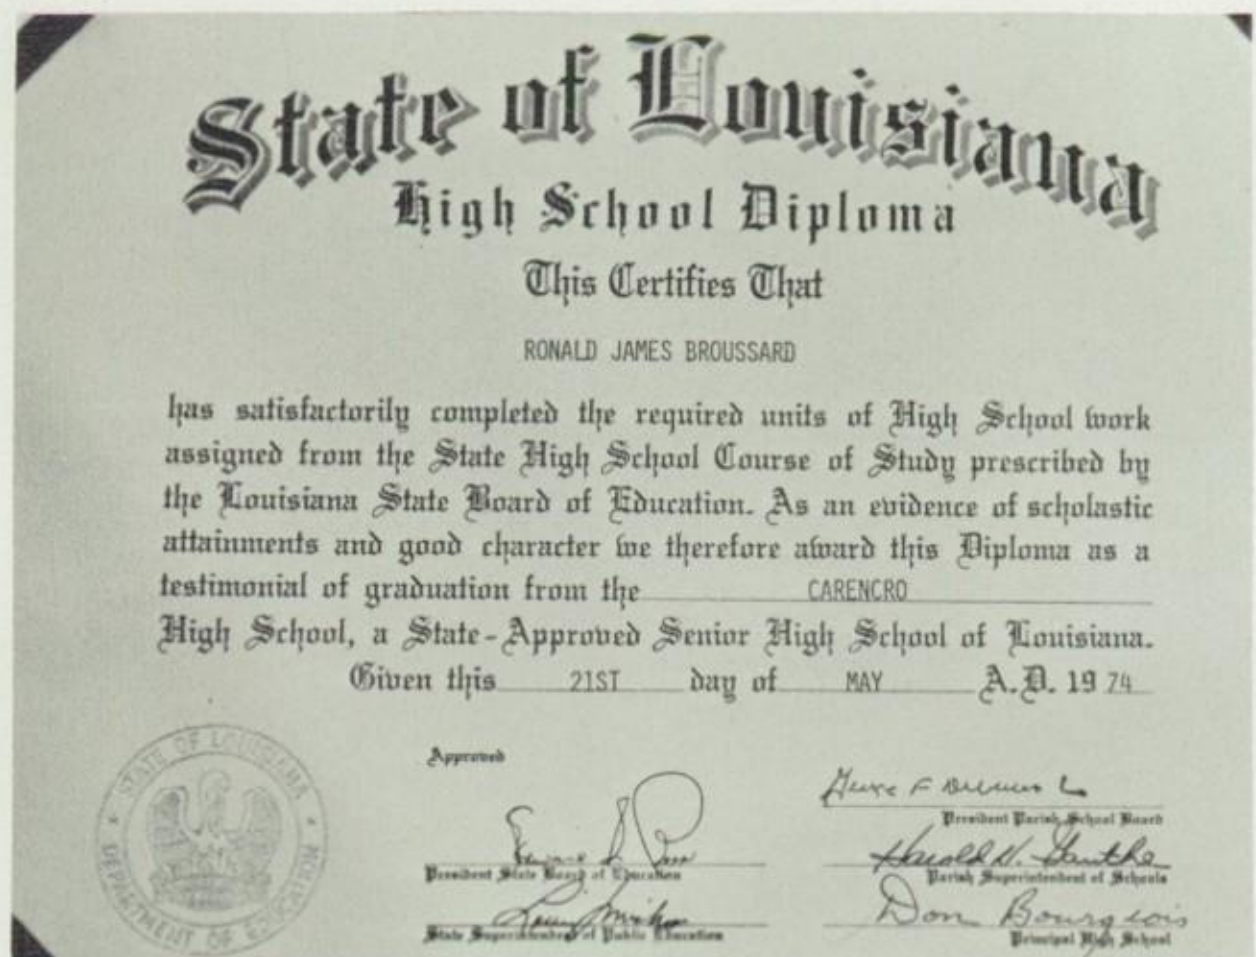

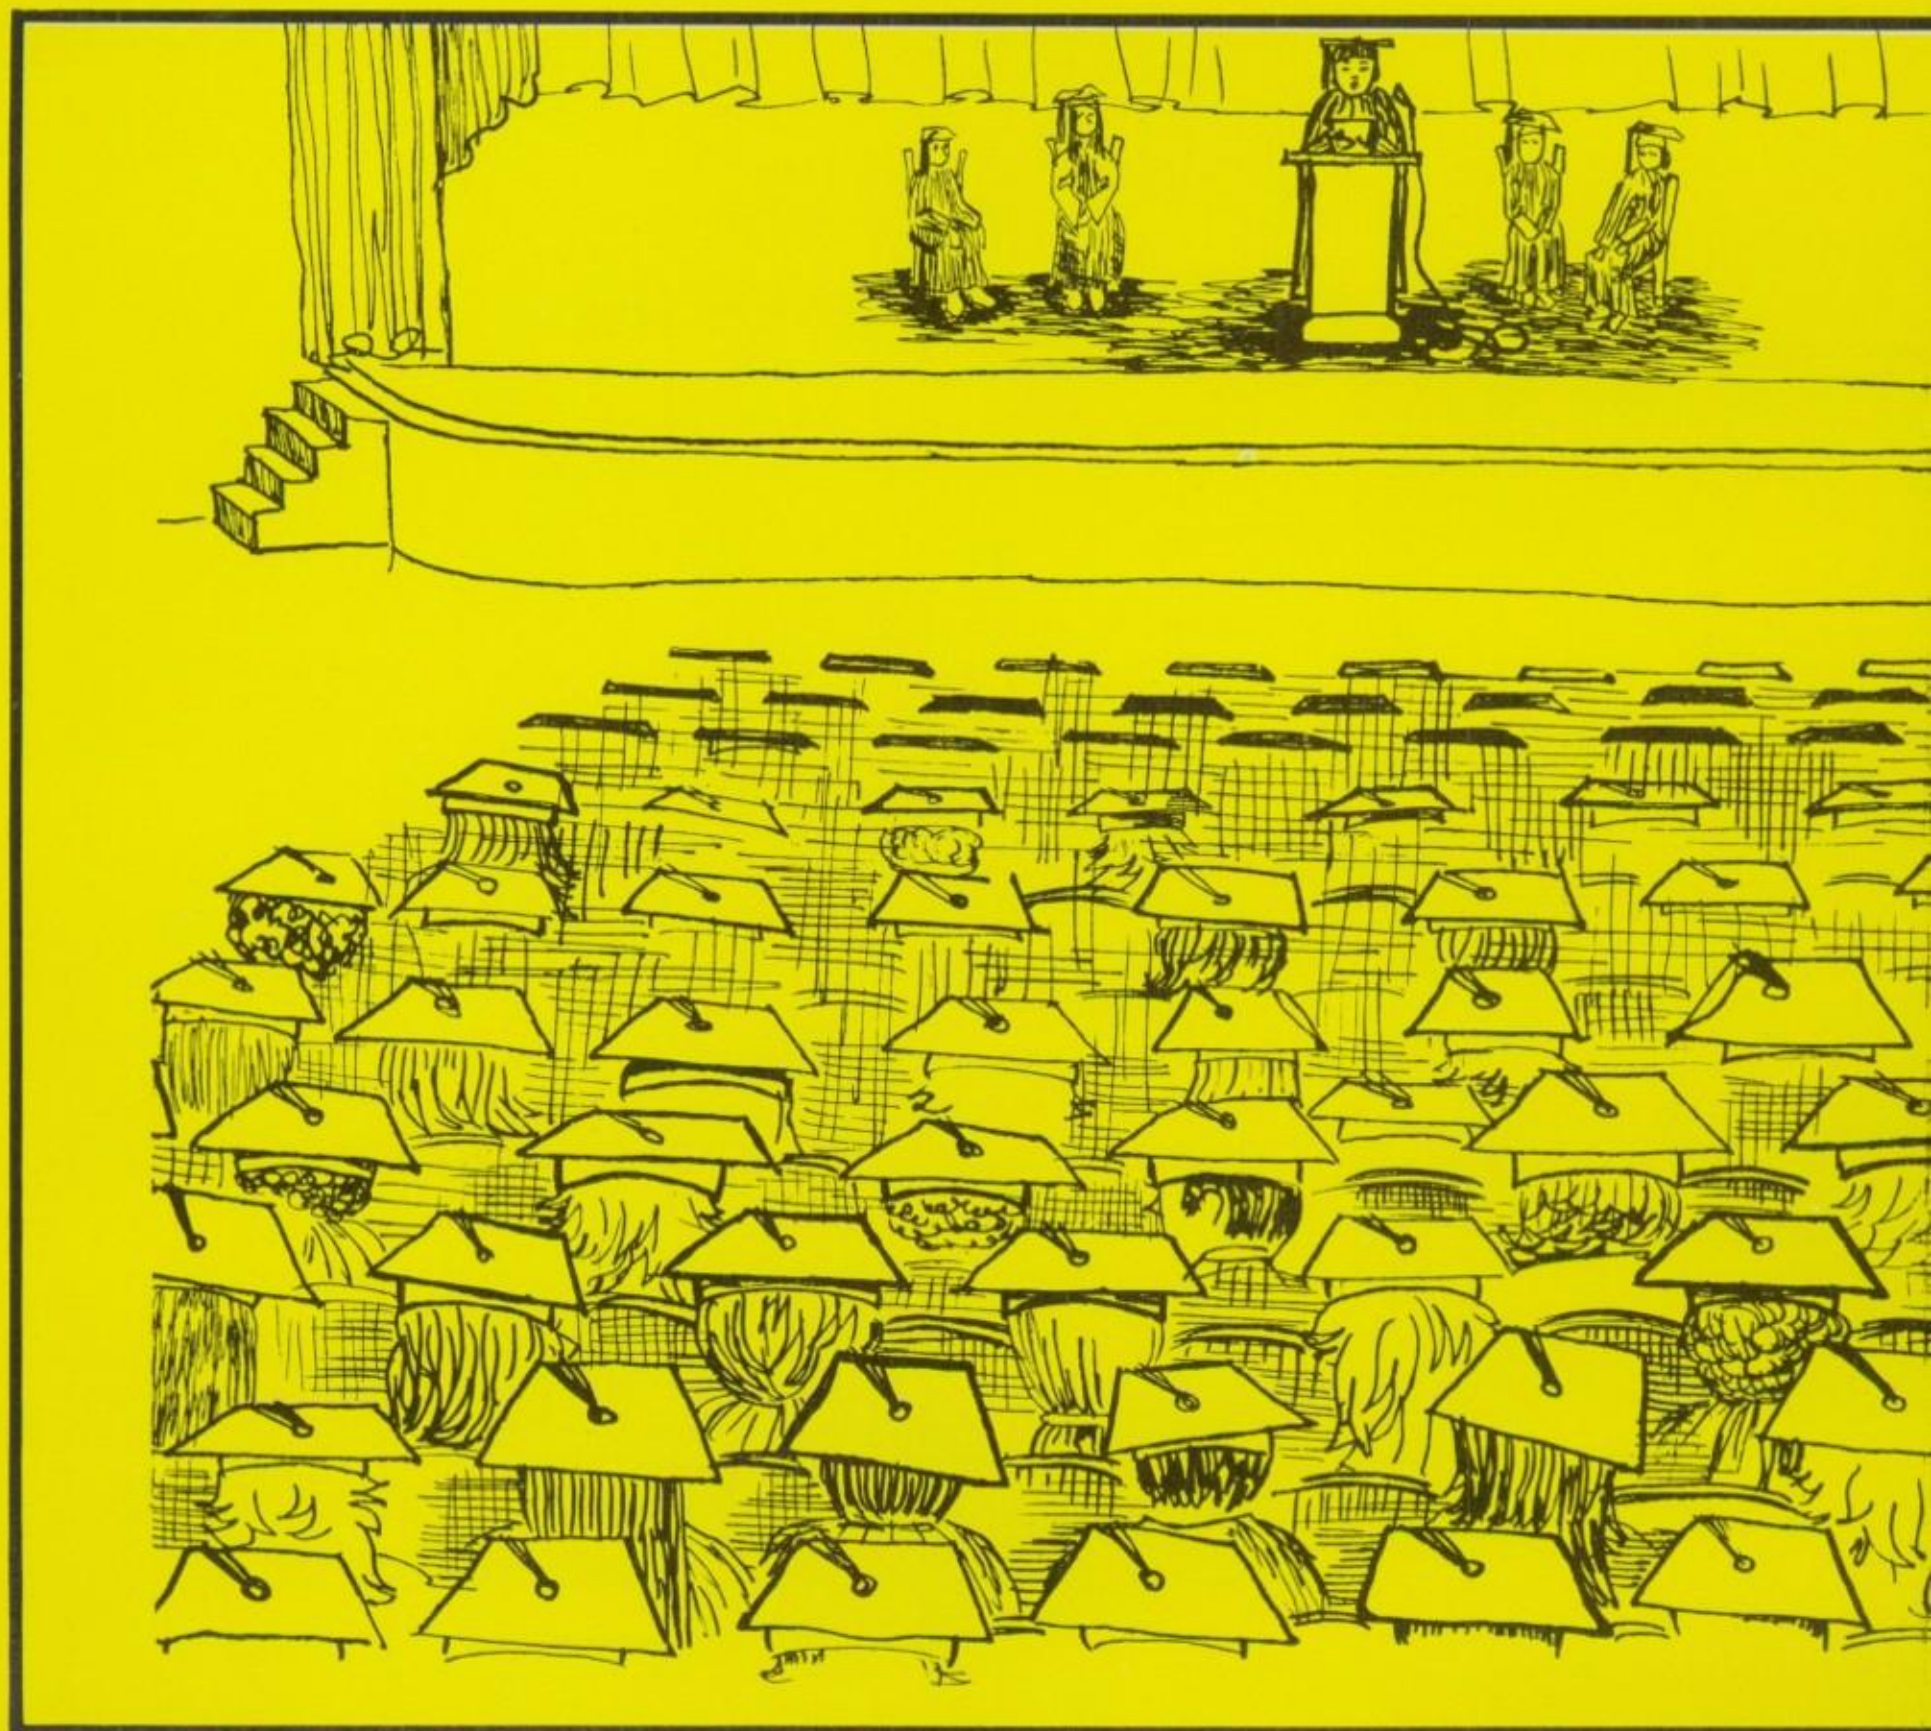

“Patches Make the Goodbyes Harder Still”

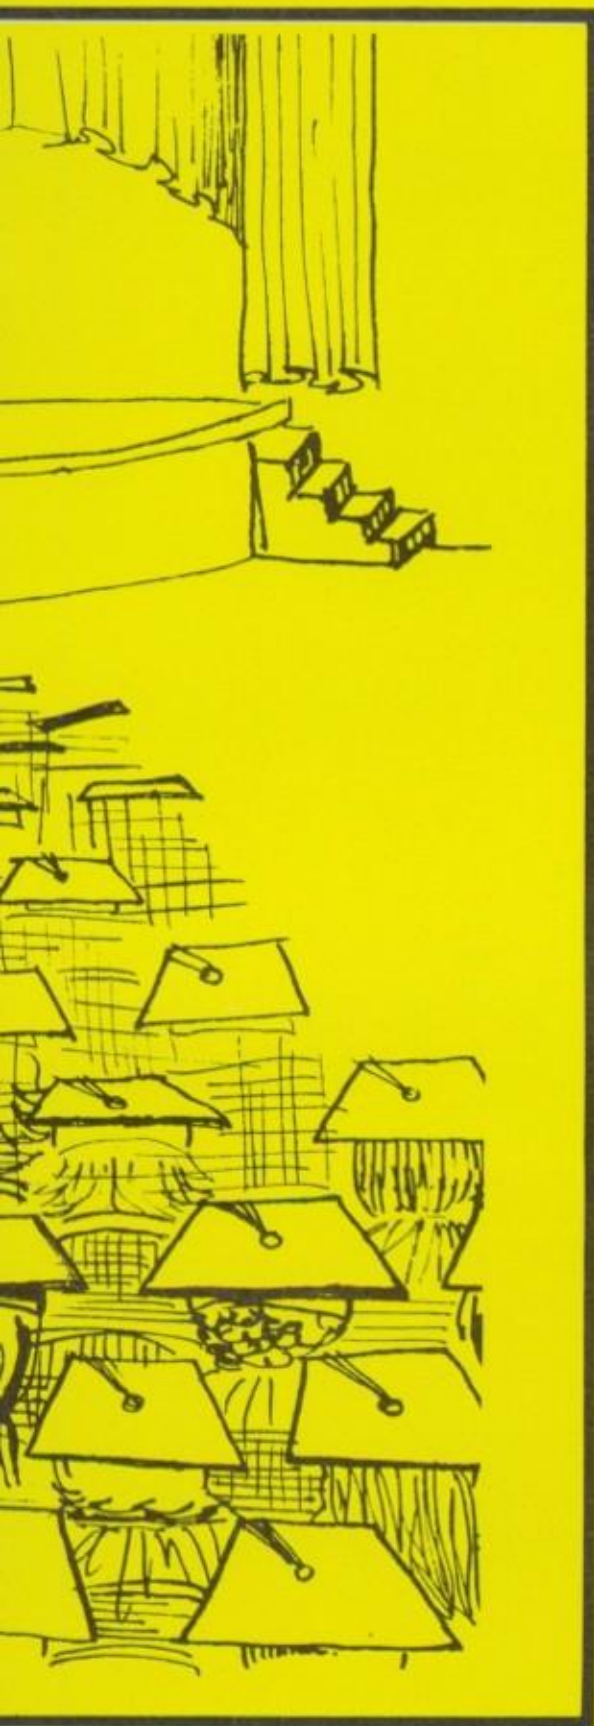

As the years grow on me,
I find that growing up
is also growing away,
that with each new song I learn
there is a time which fades away;
with new friends I meet
I'll begin to forget the old,
and the feelings I've always felt
will drift away with time -
because with every today,
yesterday dies
and I find that growing up
is also growing away.

- Jill Hall

Armed With the Present, We Salute the Future

Standing on the SLA-captured territory formerly known as Acadiana High School, the C.H.S. chapter of SLA says "goodbye" and gives a five-gun, one-boomerang, one-sword, one-hatchet, and one-crowbar salute to the 1973-74 school year. The preceding nine months have been good to us and we can only hope that 1974-75 will be as rewarding. So again we bid farewell to good old C.H.S. for another summer.

THE VALUE OF EDUCATION

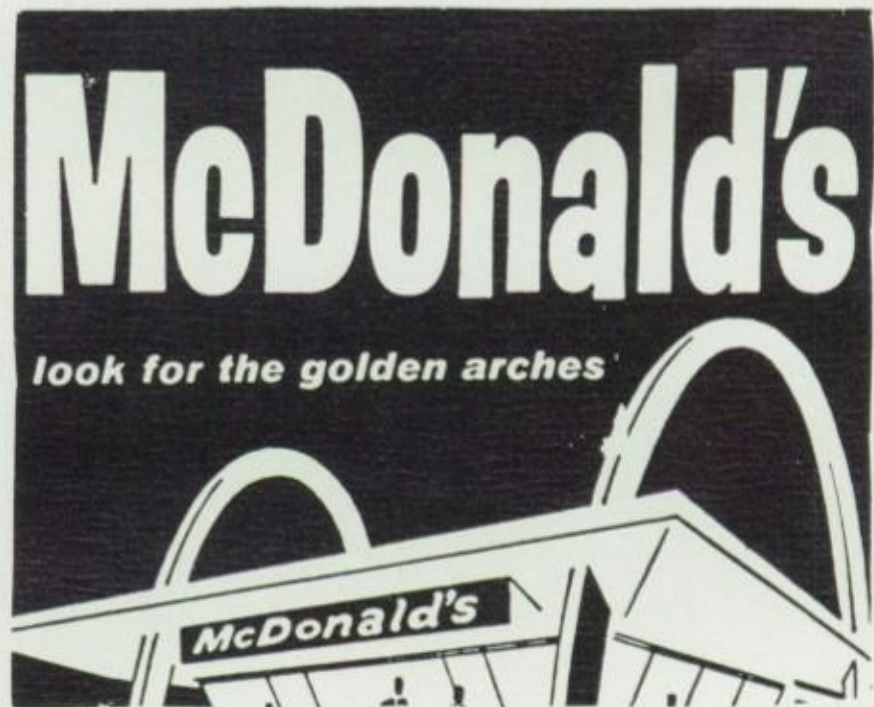

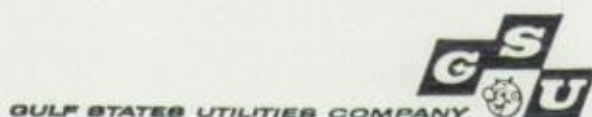

The emphasis on education is now greater than ever before.

As the world becomes increasingly complex, students must continually strive to prepare for the future. Unlocking the secrets of the environment can only be accomplished by educated minds.

We at Gulf States strongly support the advancement of knowledge. Call it an investment in the future.

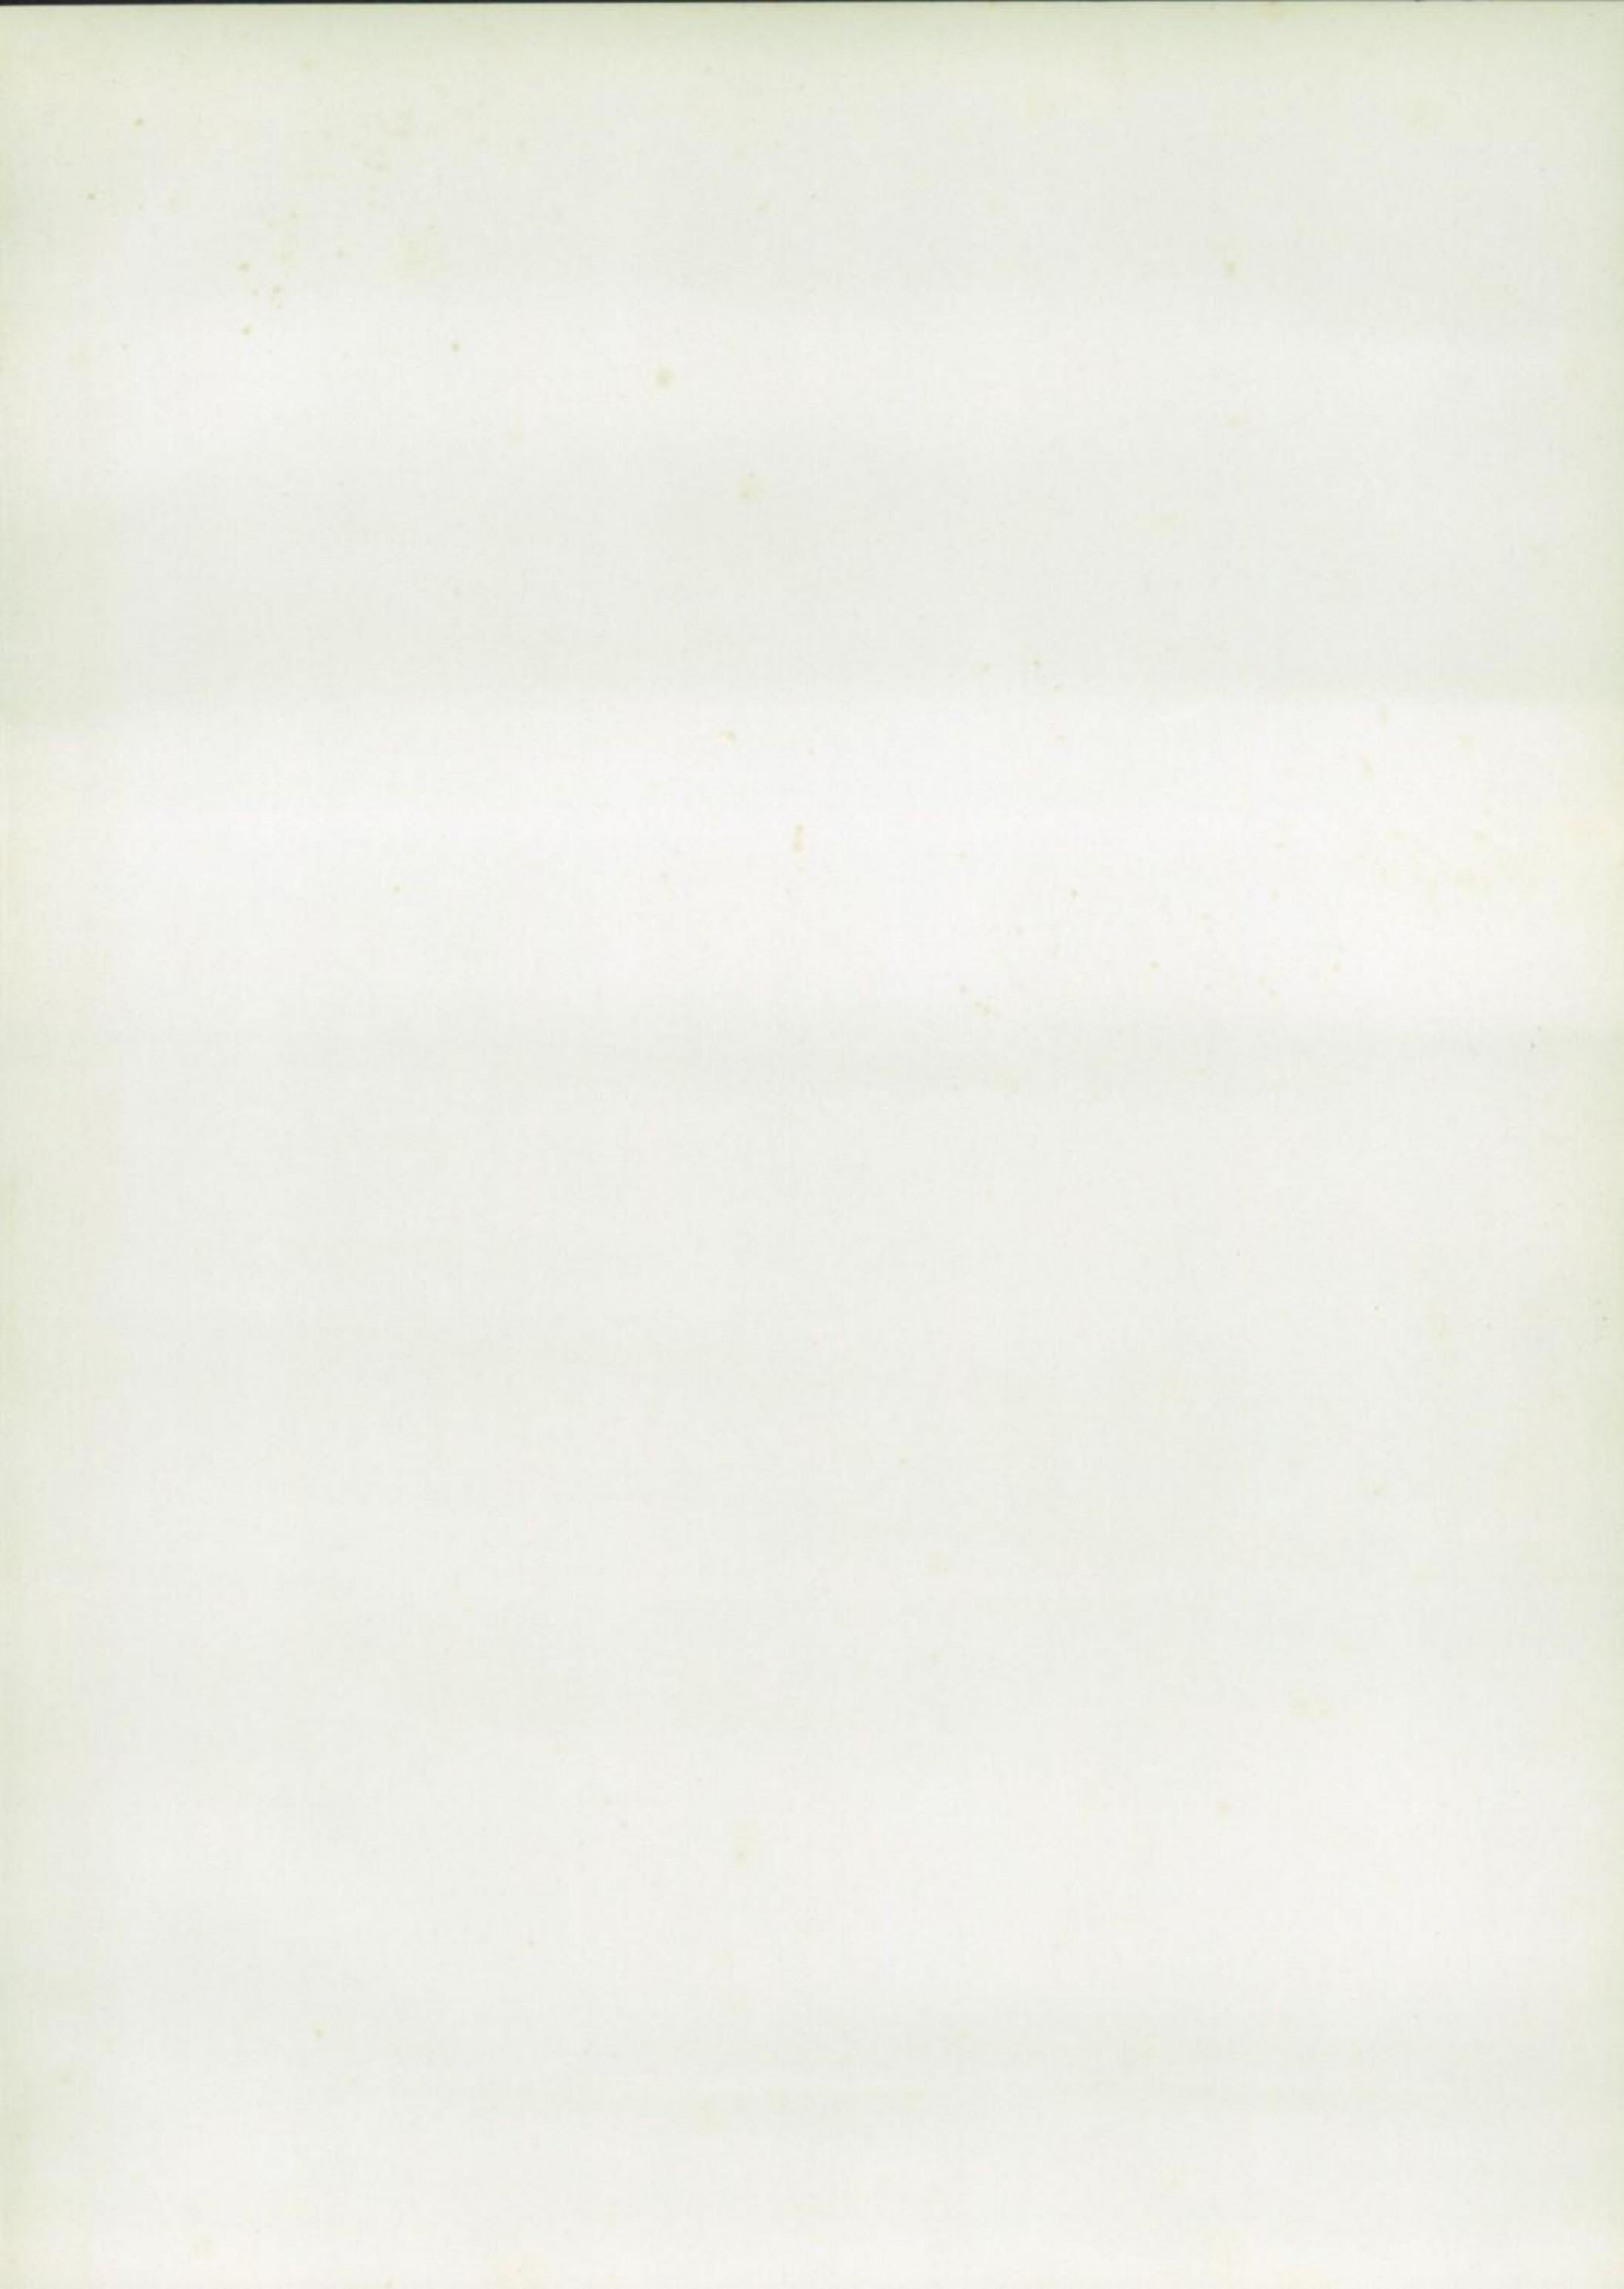

And our future depends on your future.
